## SINGITA SABI SAND activities

### Daily game drives

Daily game drives with professional Field Guides and Trackers provide the perfect opportunity to get up close with Africa's incredible wildlife, with evening drives revealing the elusive magic of nocturnal Africa, always ending with a perfect sunset. Our game drives are all conducted in state-of-the-art safari vehicles, each accommodating a maximum of six guests.

Walking safaris are an incredible way to experience the bush up close. An expert Field Guide and Tracker will accompany guests as they track animals on foot through the wilderness. Enjoy magnificent landscapes and their beautiful plant and animal species from an intimate perspective during these awe-inspiring experiences in nature. We suggest a minimum age of 16 years for this activity, but participation is at the discretion of the Field Guide.
