301 - Ultracare Waterberry Topical **Bottle**  
1 x 1 oz bottle

### METHEMOGLOBINEMIA WARNING:

For external use only. Use of this product may cause methemoglobinemia, a serious condition that must be treated promptly because it reduces the amount of oxygen carried in blood. This can occur even if you have used this product before. Stop use and seek immediate medical attention if you or a child in your care develop pale, gray, or blue colored skin (cyanosis), headache, rapid heart rate, shortness of breath, dizziness or lightheadedness, fatigue, or lack of energy. Product supervision is required for children between 2 and 12 years of age. Do not use if taking sulfonamides, for teething, or in children under 2 years of age.
