It should also be remembered that, with reference to the disclosure obligations as per article 120 of the TUF, the shares in relation to which the right to vote is held by proxy are considered to be joint holders, when this right can be exercised at discretion in the absence of specific instructions from the delegating party.

The Chairman asks the Designated Representative if he is aware that any participant from whom he has received a proxy is in a situation of exclusion from the right to vote in accordance with the regulations in force.

The Designated Representative provides a negative answer to this question.

- a list of the names of the persons who, through the Designated Representative, voted in favour or against, abstained or did not vote, with the relative number of shares represented by proxy, and that the vote on each item on the agenda will be taken at the end of the debate.

Moving on, therefore, to the discussion of the **first item on the agenda** "1. Approval of the financial statements as of December 31st, 2020 and presentation of the consolidated financial statements as of December 31st, 2020. Related and consequent resolutions " the Chairman first of all informs that the independent auditors EY S.p.A., in charge of expressing an opinion on the financial statements pursuant to the Consolidated Law on Finance, have expressed an unqualified opinion both on the financial statements as of December 31st, 2020 of COIMA RES S.P.A. SIIQ and on the consolidated financial statements at the same date as well as its opinion on the financial statements on the report on operations and information pursuant to art. 123-bis, paragraph 4 of the Consolidated Law on Finance, presented in the report on corporate governance and the proprietary structure, as shown in the reports issued on March 19th, 2021. Therefore, it specifies that, since the Company has made the documents prepared for this meeting

available to the public, in accordance with the law, and in the absence of a request to the contrary by the meeting, the documents related to the point under discussion will be omitted, limiting the reading to proposals for resolutions only.

At this point, having ascertained the general agreement to the proposal, the Chief Executive Officer Manfredi Catella will explain and comment on the financial statements and the results for the year with the aid of slides.

The Chairman then thanks the Chief Executive Officer for the analytical and exhaustive presentation and reads the proposed resolution on the first item on the agenda at the meeting:

"The Shareholders' Meeting of COIMA RES S.p.A. SIIQ:

-examined the financial statements closed as of December 31st, 2020;

-examined the consolidated financial statements closed as of December 31st, 2020

-having acknowledged the reports of the Board of Statutory Auditors and of the auditing company,

resolves

- to approve the financial statements for the year ended as of December 31st, 2020 and the management report;

- to confer on the Board of Directors, and on its behalf the Chairman and the Chief Executive Officer, separately, every broader power to give concrete and complete execution to the above resolutions in compliance with the applicable legislation and, in particular, to proceed with deposits and publication of the financial statements and, in general, of the documentation related to the same pursuant to and for the effects of the laws and regulations in force."

The Chairman gives the floor to the Chairman of the Board of Statutory Auditors for his considerations and invites him, recalling what was previously agreed on the omission of the integral reading of the documents, to read the conclusions of the report of the Board of Statutory Auditors on the financial statements.

The Chairman of the Board of Statutory Auditors reminds that the Board of Statutory Auditors reports to the shareholders' meeting in relation to its supervisory activities and, in accordance with the indications and recommendations provided by CONSOB and ESMA, has drawn up the Report of the Board of Statutory Auditors which contains all the information prescribed therein, specifying that it acknowledged the absolutely negligible effects and impacts of the Covid-19 pandemic on the Company's operations, especially in relation to the percentage of rents collected.

Mr. Massimo Laconca underlines that there are no critical issues to bring to the attention of the Shareholders' Meeting, that the Board of Statutory Auditors has been in constant contact with the control functions at all levels and with the statutory auditing company and that the section of the Company's annual on sustainability was audited for the first time this year by the Board of Statutory Auditors and a specific opinion was issued to the Board of Directors regarding the lack of compromise of the auditor's independence in carrying out this activity.

He then goes on to read the conclusions of the Report of the Board of Statutory Auditors transcribed here:

"The Board of Statutory Auditors acknowledges that it has supervised compliance with the procedural and legal provisions regarding the preparation of the separate and consolidated financial statements for 2020, as well as compliance with the duties of the Directors in this regard.

The Company's financial statements and consolidated financial statements close with the certification issued by the Chief Executive Officer and by the Manager in charge of preparing the corporate accounting documents pursuant to Article 154 bis of the Consolidated Finance Act and Article 81-ter of the Consob Issuers' Regulation no. 11971 of May 14th, 1999 and subsequent amendments.

The financial statements and the consolidated financial

statements of COIMA RES S.p.A. SIIQ are drawn up according to the International Financial Reporting Standards. As the analytical control of the contents of the financial statements was not delegated to the Board of Statutory Auditors, the activity of the Board was limited to supervising the general approach given to them, their general compliance with the Law as regards their formation and structure and compliance with mandatory schemes.

Based on the above considerations, not detecting any impediments, we express our consent, as far as we are concerned, to the approval of the separate financial statements for the year 2020, together with the Management Report as presented by the Board of Directors.

We also find no obstacles to the proposal of the Board of Directors regarding the allocation of the profit for the year amounting to Euro 10,933,612.

Finally, we remind you that with this Report our mandate will expire, and the Assembly will be called to take the consequent resolutions."

The Chairman then puts the proposed resolution previously read to the vote and asks the Designated Representative, whether he should report, with specific regard to the item being voted on, any situations of exclusion of the right to vote and whether, pursuant to of the art. 135-undecies of the TUF, for the purposes of calculating the majorities, in relation to the proposal which

has been read, is in possession of voting instructions for all the shares for which the proxy has been conferred, obtaining a negative answer to the first question and positive response to the second.

The Notary declares that they are present by proxy given to the Designated Representative number 39 (thirty-nine) entitled to vote, representing 22,277,522 (twenty-two million two hundred and seventy-seven thousand five hundred twenty-two) ordinary shares equal to 61.699% (sixty-one point six hundred ninety nine percent) of 36,106,558 (thirty-six million one hundred six thousand five hundred fifty-eight) shares constituting the share capital.

The Chairman then invites the Designated Representative to proceed to the vote.

The Designated Representative communicates the following vote orally:

- no. 22,277,522 votes in favour, equal to the 100% of the capital participating in the vote;
- against, no votes
- abstained, no votes
- non-voting, no votes.

The Chairman declares the voting closed at nine forty-two minutes and acknowledges that the proposal is unanimously approved.

The Chairman asks the Designated Representative pursuant to art. 134 of the Issuers' Regulations if he has cast votes that

differ from the instructions received and receives a negative response.

Starting the discussion of the **second item on the agenda** "2. Allocation of the result for the year and proposed dividend distribution. Related and consequent resolutions", the Chairman gives the floor to the Chief Executive Officer who briefly illustrates the result for the financial year as of December 31st, 2020 and reads the proposed resolution, which is transcribed here:

"The Shareholders' meeting of COIMA RES S.p.A. SIIQ:

The amount of Euro 5,018,139.84 refers to the revaluations carried out in previous years of the real estate complex located in Milan, via Lorenteggio 240 (called. "VODAFONE VILLAGE"), partially sold during the 2019 financial year;

- To distribute dividends for Euro 0.20 per share, and therefore for a total amount amounting to Euro 7,221,311.60 - in balance of the interim dividend for the year 2020 amounting to Euro 0.10 per share, distributed as of November 18th, 2020 - and which includes an amount of Euro 0.06 per share relating to the capital gain realized during the 2019 financial year through the sale of the 50% of the VODAFONE VILLAGE real estate complex. The dividend for the year 2020 is therefore determined as sum of the advance payment and the balance amounting to Euro 10,831,967.40, amounting to Euro 0.30 per share;

- to establish that the coupon detachment date is April 26th, 2021, the record date, pursuant to Article 83-terdecies of Legislative Decree 58 of February 24th, 1998, is April 27th, 2021 and the payment date is April 28th, 2021;

- to grant the Board of Directors and, on its behalf, the Chairman and the Managing Director, severally, the widest possible powers to give concrete and full effect to the following

implementation of the above resolutions in accordance with the applicable law”.

The Chairman invites to vote on the proposed resolution concerning the allocation of the result for the year and the proposed distribution of the dividend, which has been read.

Before moving on to the vote, the Chairman asks the Designated Representative whether the latter should report, with specific regard to the subject being voted on, any situations of exclusion of voting rights and if, pursuant to art. 135-undecies of the TUF, for the purposes of calculating the majorities, in relation to the proposal which has been read, is in possession of voting instructions for all the shares for which the proxy has been conferred, obtaining a negative answer to the first question and positive answer to the second.

The Notary declares that they are present by proxy given to the Designated Representative number 39 (thirty-nine) entitled to vote, representing 22,277,522 (twenty-two million two hundred and seventy-seven thousand five hundred twenty-two) ordinary shares equal to 61.699% (sixty-one point six hundred ninety nine percent) of 36,106,558 (thirty-six million one hundred six thousand five hundred fifty-eight) shares constituting the share capital.

The Chairman then invites the Designated Representative to proceed with vote.
