

SUPPORT STUDENTS IN LEADING AND TAKING ACTION

Become a Bezos
Scholar Educator
—become the
leader we need.

The **BEZOS SCHOLARS PROGRAM** is a year-long leadership program that amplifies youth voice and action. Students nominate a staff person from their school who will travel to the Aspen Ideas Festival* with them for an all-expenses paid trip, fully participate in the program and collaborate to launch a student-led community change project.

Build on your student advocacy skills, reignite or deepen your passion for your field, and support students in making a meaningful difference in your community.

*If the Scholar trip is not safely possible, virtual Aspen Ideas Festival programming will be offered in its place.
