

Deposit price list 2024

The Kodisto Tenant Portal has instructions on how to take care of and maintain the apartment. The prices in this deposit price list are followed in those cases where, due to the resident's negligence, costs caused by incorrect handling or neglect of care, will be billed to the resident. This price list is indicative, in special and exceptional cases the charges will be according to the invoice. The price list is valid for the year mentioned in the title and is always revised at the turn of the year.
