The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would

share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, 1-888-775-7888. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <a href="https://www.healthcare.gov/sbc-glossary/">https://www.healthcare.gov/sbc-glossary/</a> or call 1-888-775-7888 to request a copy.

| Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?                                      | \$2,500/Individual or<br>\$5,000/Family   | See the Common Medical Events chart below for your costs for services this plan covers.   |
| Are there services covered before you meet your deductible?          | Yes. Preventive care, office visits, outpatient services, medical supplies, and most home health services.                  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventative</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventative services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                   |
| Are there other deductibles for specific services?                   | Yes. \$200/Individual or \$400/Family for Tiers 1, 2, 3, and 4 prescription drugs. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services. There are no other specific <u>deductibles</u> .   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Yes. \$7,550 Individual / \$15,100 Family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums and health care this plan doesn't cover, and out-of-network services.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See http://www.cchphealthplan.com/do ctor-locations or call 1-888-775- 7888 for a list of network providers.           | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | Yes.  | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
