Chinese Community Health Plan (CCHP) has provided affordable and culturally competent health care to the community in the San Francisco region since 1986, presently serving San Francisco and northern San Mateo counties.

As a CCHP member, your benefits include but are not limited to inpatient, outpatient, medical, surgical, preventive services, maternity, mental health services, prescription drugs, as well as worldwide emergency coverage.

CCHP offers many choices for your medical care. Members receive their medical care from the physicians of the Chinese Community Health Care Association and a network of affiliated hospitals including Chinese Hospital, California Pacific Medical Center, Mills-Peninsula Medical Center, St. Francis Memorial Hospital, St. Mary's Medical Center, Seton Medical Center, and Seton Medical Center - Coastside.

This directory lists the physicians providing care for CCHP members in San Francisco and northern San Mateo counties. As a member, you are asked to designate a Primary Care Physician (PCP) to serve as your personal doctor. Primary Care Physicians are listed by geographic location. The directory also lists Specialists by areas of specialty. The physician index is located at the back to further help you find a physician. For more details about your plan benefits and terms of your group's coverage, please refer to your Summary of Benefits or Evidence of Coverage.

REFERRAL PROCEDURES TO SPECIALIST PHYSICIANS

專科轉介程序

In the CCHP combined Disclosure form and Evidence of Coverage, we explain how you may obtain referrals to specialist physicians from your Primary Care Physician (PCP). One type of referral is a standing referral, in which your PCP or specialist refer you for a number of visits if you need continuing care from a specialist. There are many medical conditions for which standing referrals may be appropriate. One example: members who have a heart condition who may need a standing referral to physicians with expertise in treating heart disease. Please feel free to contact your primary care physician to discuss any such referrals.

在《華人保健計劃》的保障說明書內已解釋到有關轉介專科醫生的程序。持續轉介是指如果您需要持續得到專科醫生的護理，您的家庭醫生可轉介您看一定次數的專科門診。有很多症狀是需要持續轉介，例如，會員染有HIV或 AIDS，便需要持續轉介去看免疫系統失調專科，本醫生名錄上所列明的傳染病科及血理病癌科的醫生都有治療免疫系統失調的專業技能，請與您的家庭醫生諮詢有關轉介事宜。
