(Further along Bunya Road from where we turn off to our usual Pine River site.  
 Wendy will have the entrance marked. Refer to attached MAP.)  
 PLEASE READ CAREFULLY WENDY'S MESSAGE BELOW. THE COUNCIL  
 HAS SPECIFIED THAT ENTRANCE TO THE SITE MUST BE BY VEHICLE ONLY -  
 NO PEDESTRIAN ACCESS AVAILABLE. (This is because of the position of the  
 entrance in a potentially hazardous section of road. Wendy has suggested that  
 those of our volunteers who do not drive, or do not wish to arrange transport  
 for themselves, give this day a miss. This will be an initial inspection of the  
 site, and some weeding.)
