

Dit is je afloop, laat hier je ontwerp in doorlopen.

The image shows a circular graphic element. It consists of two concentric circles. The outer circle is defined by a thin black line. The inner circle is defined by a thin magenta line. The space between these two circles is a uniform white ring. The text "Dit is je afloop, laat hier je ontwerp in doorlopen." is written in a grey, sans-serif font along the top arc of the magenta inner circle. The rest of the circle is empty, providing a large white area for a design.
