They are so so great, respond very quickly, and are very thorough. They do such a great job. I've been in this industry for 25 years and Sedera Member Services is head and shoulders above any insurance company I've ever worked with.

Those that do not know the value of Medical Cost Sharing are missing out. I could not have had a better experience when I had healthcare issues. Sedera is simply the best. Proud to be a Member and Affiliate.

“

Sedera's Member Services Team is top-notch! I've dealt with various insurance companies in the past and unlike those companies, Sedera is a breath of fresh air with quick responses that prove they care about their members.

”

“

Some of the best things about being a Sedera Member and my Needs Case experience is that the simple process is congruent with what I believe about community, healthcare, and medical expenses.

”

“

I love the choice I have in my family's care and the ability to find the best pricing. Everything is transparent in our costs and the monthly cost for our membership is affordable for 6 of us. I love what Sedera stands for.

”

“

I love that I am not supporting an insurance company I don't trust. Instead, we are part of a community of people who care. And I always know we're going to work with people who value us as people.

”

“

Absolutely everything! The team is incredible, there are no network restrictions, and the help is ALWAYS there. I love that we are all empowered to own our health and care.
