There's a better way to pay for healthcare.

Medical cost sharing is a peer-to-peer sharing of large, unexpected medical costs through a membership-based community. Members support one another's physical and financial health.

How Sedera Medical Cost Sharing Works

1

Select an IUA, the amount you're comfortable paying without Community funds.

2

Open a bank account to share funds with the Community.

3

When you have a Need*, open a Needs Case in your Member Portal.

4

Shop for the treatment and value-driven provider of your choice.

5

Receive Community funds that exceed your IUA. Only pay 3 IUAs per membership year.

6

Pay your provider with funds from the Community.

*A Need is one or more Medical Bills caused by an injury, illness, or a medical event to an eligible Member. Sharing subject to the applicable Sedera Membership Guidelines.
