Members are 14x more likely to recommend Sedera, compared to health insurance*

There’s a better way to pay for healthcare.

Medical cost sharing is a peer-to-peer sharing of large, unexpected medical costs through a membership-based community. Members support one another’s physical and financial health.

How Sedera Medical Cost Sharing Works

1. Select an IUA, the amount you’re comfortable paying without Community funds.
2. Open a bank account to share funds with the Community.
3. When you have a Need*, open a Needs Case in your Member Portal.
4. Shop for the treatment and value-driven provider of your choice.
5. Receive Community funds that exceed your IUA. Only pay 3 IUAs per membership year.
6. Pay your provider with funds from the Community.

*A Need is one or more Medical Bills caused by an injury, illness, or a medical event to an eligible Member. Sharing subject to the applicable Sedera Membership Guidelines.
