

SOMPRAWIN MANPRASERT, PH.D
CHIEF ECONOMIST
ECONOMIC INTELLIGENCE CENTER (EIC)

Somprawin Manprasert is First Executive Vice President, Chief Economist and Chief Strategy Officer at the Siam Commercial Bank PCL. He has extensive experience and expertise in in-depth macroeconomic and industrial research management, the driving force behind the Economic Intelligence Center's (EIC) mission to support Siam Commercial Bank's strategic plan "To Be a Better Bank" and to further sustain sustainable growth. On the strategic front, Somprawin is in charge of the Strategy Office to formulate and facilitate the execution of SCB's strategic plans with aspiration to benefit the bank, customers, and the society as a whole.

Somprawin previously served as Chief Economist and Executive Vice President of the Bank of Ayudhya's Research Team and as Associate Dean and Associate Professor of Chulalongkorn University's Faculty of Economics. He has conducted research for government agencies such as the National Economic and Social Development Board, the Budget Bureau, and the Ministry of Commerce, among others, and has served as a speaker at seminars for the general public and organizations on a national and international level.

Somprawin earned a bachelor's degree from Chulalongkorn University's Faculty of Economics, a master's degree from the University of Warwick in the United Kingdom, and a doctorate degree from the University of Maryland at College Park in the United States of America.
