

For Corporate Finance and Infrastructure and Project Finance engagements where Fitch Ratings has provided a preliminary rating prior to 1 July 2022, these disclosures are made where Fitch Ratings does not ultimately publish a rating and where Fitch Ratings becomes aware of a transaction being announced publicly or another credit rating agency publishing a rating. In order to avoid the risk of Fitch Ratings inadvertently disclosing confidential information, the relevant entities and transactions will be included in the report after the transaction or rating has been announced publicly.
