

Potential & Actual Conflict of Interest* (Look Back Procedure - Reviewing Analytical Work of Leavers)	
Date Posted	Entity Name
4-Sep-26	Hatton National Bank PLC
1-Sep-26	Legal & General Investment Management (Holdings) Limited

**This report lists entities where an Analyst has joined a Fitch-rated entity and a potential conflict of interest has been identified.*

Once the lookback review is completed and if it is determined that the potential conflict of interest did not influence the credit ratings, the entity name is removed from the list.

By contrast, if it is determined that there was potential influence on the credit ratings, then the matter is further escalated, with the credit ratings subject to review by a conflicts review committee. In such cases, the entity name will remain on the list until the conflicts review committee concludes and a Rating Action Commentary is published on Fitch Ratings' website. At this point, the conflict of interest will be eliminated and the entity name will be removed from the list.
