

Simplify **Fuel** Procurement Through **COOPERATIVE PURCHASING**

As a streamlined solution for government, public agency, education and non-profit contract procurement, TACenergy holds contracts with national cooperative purchasing groups, OMNIA Partners and Sourcewell to provide bulk fuel sales, management and delivery in the contiguous United States.

The collective buying power offered through procurement contract management groups provides:

-  **time-reduced access**
-  **efficient purchasing process**
-  **budgeting peace of mind**

Sourcewell
