ALLERGY ALERT TEST QUESTIONS

1. Has your client ever had an allergic reaction to any hair colourant product?
2. Has your client ever had an allergic reaction to any type of skin tattoo including henna or to permanent make-up?
3. Does your client have a sensitive, itchy or damaged scalp (e.g. suffer from eczema or psoriasis of the scalp)?
4. Is your client currently taking any medication to treat allergies?

IF ANSWERED WITH YES TO ANY QUESTION – STOP

!

Explain to your client that you cannot colour the hair unless they first get advice from their doctor.

ALLERGY ALERT TEST QUESTIONS

5. Is this a new colour client for your salon or are you using a different brand/shade to normal?
6. Has it been more than 6 months since your client last had a colour in your salon?
7. Is it more than 12 months since your client's last Allergy Alert Test?
8. Has your client had any type of skin tattoo including henna or permanent make-up since their last colour service?
9. Has your client had an allergic reaction to any products since their last colour service?

IF ANSWERED WITH YES TO ANY QUESTION – WARNING

!

Carry out an Allergy Alert Test.

If the client answers 'NO' to all the questions you can proceed with the colour service on this occasion, without doing a skin allergy test first. However, you should ask your client to sign a record card confirming that you have been through this questionnaire with them.

If the client answers YES to any of the questions 5-9, but would like a colour service carried out today, you can use either of the following products: Blondor and Magma.
