Activity/Skill	Brief Description/Detail	Start/end date if applicable

Financial circumstances

Please explain your financial circumstances, why this bursary/scholarship would be important to you and how it would be used. Please indicate all postgraduate funding applications you have made to cover this degree course. Indicate current status of applications (e.g. pending, unsuccessful etc.) as appropriate. You should also explain how you intend to cover course costs over and above the amount offered by the bursary/scholarship. (Max. 400 words)

Personal statement

Briefly explain why you wish to be considered for a bursary/scholarship. In particular, detail your career ambitions and goals and explain why this funding would make a difference. How would you use the funding to further your career pathway? (Max. 400 words)

Reflective Statement

At Anna Freud, we wish to enhance diversity amongst professionals in the field of child mental health to ensure satisfactory representation to support the varying needs of the populations and communities that we serve. We would also like to develop a better understanding of equity, diversity, inclusion and belonging principles within practice and research. Please describe how you might support this vision and the contribution you would be able to make to serve diverse groups of children, young people

(CYP) and their families and carers, including care experienced CYP. You may wish to draw on any relevant experience, including lived experiences, combined with your aspirations to progress in the field (Max. 400 words)

Referee

Please provide a written reference from a professional who has known you within an academic capacity and who is able to comment on your academic suitability for a bursary/scholarship. The reference should be submitted with your application otherwise the panel will be unable to consider your submission. N.B. Referees may be contacted to verify the authenticity of the reference provided.
