20-Day DIT Training Programme Application

The applicant should please tick each box to indicate that they meet each requirement, and provide training certificates, references/e-mails from their training institution, supervisor and therapist as proof. Without this information it will not be possible to process the application.

1. Proof of diploma level qualification in counselling (not necessarily psychodynamic) or a psychology doctorate degree (clinical, counselling, health or forensic). ☐
2. At least two years' employment in an NHS/Talking Therapies or voluntary institution (or private capacity) working in a therapeutic capacity with adults with mental health problems (written confirmation required). ☐
3. Current, full HCPC, BPC, UKCP, BACP or BABCP registration (copy of the registration required). ☐
4. The applicant must be able to meet with 2 of their patients face-to-face when completing the supervision part of this training. ☐
5. A copy of the applicant's CV. ☐
6. A statement of support from the applicant's line manager. ☐
7. A statement of support from the applicant's clinical supervisor. ☐

The applicant's statements of support can be submitted using this document. Please see pages 2-3 of this document.
