

Product Name:	Bluelab Connect Range Extender 2
Product Code:	CONEXTEND2
UPC Code:	9421024921118
Country of Origin:	New Zealand
Tariff Code:	9027.80
Shipping Quantity:	Sold as singular unit
Packaging Information:	
Packaged Weight:	0.28 kg / 0.61 lb
Packaged Length:	150 mm / 5.90 in
Packaged Width:	95 mm / 3.74 in
Packaged Height:	90 mm / 3.54 in

Sales Description:
<i>NOTE: this copy can be used in brochures, catalogues or online</i>
Boost your Connect™ signal range even further
Send Bluelab Connect wireless data further in large growing facilities and environments. Simply plug the Bluelab® Connect™ Range Extender 2 into a power supply between Bluelab® Connect™ devices and Bluelab® Connect™ Stick 1 or 2 to increase the wireless signal range. For extra-long distances, multiple Bluelab® Connect™ Range Extender 2s can be used. Increase the wireless range between Bluelab Connect devices and the computer by up to four times when Connect Range Extender 2 is paired with Connect Stick 2.

Features:
<ul style="list-style-type: none"> Increases wireless data range of Bluelab® Connect™ products by a further 100m/330ft in a growing environment Increases wireless data range of Bluelab® Connect™ products by a further 400m/1312ft in an open environment (line-of-sight) Link multiple Range Extender 2s for extra-long range (up to 700m/2300ft) Water resistant for the growing environment International power supply (may differ from image shown) Installation instructions included
