In order to ensure gender balance in compliance with applicable *pro tempore* laws and regulations, each list containing a number of candidates equal to or greater than 3 (three) must include candidates of both genders, so that at least 1/3 (one third) – rounded up in case of a fractional number – of candidates indicated in the same list belong to the less represented gender.

The ownership of the number of shares required for filing lists must be certified pursuant to applicable *pro tempore* laws and

regulations; such certification may also be received by the Company after the filing of lists, provided that this is within the deadline set by applicable *pro tempore* laws and regulations.

2.4 No entitled person may submit or participate in submitting more than one list, including by way of third parties or trust companies, or vote for more than one list. Shareholders belonging to the same group of companies – this being construed as the parent company, subsidiaries and companies under joint control – and parties to a shareholders’ agreement as per article 122 of the TUF regarding the Company’s shares, may not submit, nor may those with voting rights vote for, more than one list, not even by way of third parties or trust companies; in case of non-compliance their signatures shall not count for any of the lists.

- a comprehensive description of the personal and professional characteristics of each candidate, including information on offices held as director or statutory auditor in other companies, and a statement in which individual candidates accept their nomination and represent, under their own responsibility, that there are no causes for ineligibility or incompatibility, and that they meet the directorship requirements established by laws, regulations and the Bylaws, and the independence requirements provided for in article 16, paragraph 2, hereunder; as well as
- any further documentation and declaration required by applicable *pro tempore* laws and regulations or that is useful for an overall assessment of suitability for the office, also in accordance with any information that may be publicly disclosed in advance by the Bank in the notice of call.

2.7 Submitted lists that do not meet the above requirements will be treated as not having been submitted. Nevertheless, the absence of documentation regarding individual candidates on a list does not automatically lead to the exclusion of the whole list but only to that of the candidates to whom the irregularity refers.

3. Voting

If more than one list is filed, Board members shall be elected as follows:

- (i) all the members of the Board of Directors except 2 (two) shall be drawn from the list that obtains the majority of votes cast, in the sequential order in which they are listed (the **“Majority List for the Board of Directors”**);

(ii) the remaining 2 (two) Directors shall be drawn, being the first 2 in the sequential order in which they are listed, from the minority list (the “**Minority List for the Board of Directors**”) which obtained the second highest number of votes and is not in any way linked, even indirectly, through connections qualified as relevant by applicable *pro tempore* laws and regulations, with persons who submitted or voted in favour of the list under point (i).

If the Minority List for the Board of Directors fails to obtain a percentage of votes equal to at least half that required, in accordance with the above, for the purposes of submitting such list then all the Directors to be elected will be taken from the Majority List for the Board of Directors. If the Minority List for the Board of Directors contains only one candidate, the missing candidate for election shall be taken from the list that arrived third in terms of the number of votes received or, in the absence of other lists for which votes were cast, shall be taken from the Majority List for the Board of Directors, in the person of the first candidate excluded.

If several lists obtain the same number of votes, the Majority List for the Board of Directors is, for all purposes, the list submitted by shareholders holding the largest interest or, in second instance, the list voted by the highest number of shareholders (one vote per person). This applies also to the case whereby more minority lists obtain the same number of votes.

Should the resulting composition of the Board of Directors fail to ensure the minimum number of Independent Directors as per article 16 , paragraph 2, of these Bylaws, the non-independent candidate elected as last in the sequential order on the Majority List for the Board of Directors shall be replaced by the independent candidate not elected on such list on the basis of the sequential order or, in the absence of such, by the first independent candidate in sequential order not elected on the other lists, depending on the number of votes obtained by each list. This replacement procedure shall be used until the Board of Directors contains the minimum number of Independent Directors required under article 16, paragraph 2, below. Finally, if this procedure fails to produce the required result, replacement will be carried out by means of a resolution adopted by a relative majority at a Shareholders’ Meeting, following the presentation of candidates meeting the above-mentioned requirements.

Furthermore, should the resulting composition of the Board of Directors fail to comply with the applicable *pro tempore* laws and regulations on gender balance, the candidate belonging to the more represented gender who is elected with the lowest number of votes in terms of the sequential order on the Majority List for the Board of Directors shall be replaced by the first candidate of the less represented gender not elected on such list on the basis of the sequential order or, in the absence of such, by the first candidate of the less represented gender not elected on the basis of the sequential order on the other lists, depending on the number of votes obtained by each list. This replacement procedure shall be used until the composition of the Board of Directors complies with applicable *pro tempore* laws and regulations on gender balance. If this procedure fails to produce the required result, replacement will be carried out by means of a resolution adopted by a relative majority at a Shareholders’ Meeting, following the presentation of candidates belonging to the less represented gender.

If, lastly, the number of directors elected on the base of the lists submitted is lower than the number of members to be elected, the missing directors shall be appointed by the Shareholders’ Meeting on a relative majority, subject to the submission of the names of candidates holding the requirements for complying with applicable *pro tempore* laws and regulations on gender balance and to compliance with the minimum number of Independent Directors prescribed by article 16, paragraph 2 below.

4. Single list – Lack of or failure to vote for more than one list

In the case where:

- (a) only one list is submitted, or if the minority lists submitted do not get a percentage of votes equal to at least half the minimum required for the submission of lists as per point 2 of this

article, the Shareholders' Meeting shall express its opinion on such list by legal majority, without following the above procedure;

- (b) no list is submitted, the Shareholders' Meeting shall resolve by legal majority, without following the above procedure;

in any event, it is understood that applicable *pro tempore* laws and regulations on the minimum number of Directors, on the minimum number of Independent Directors pursuant to article 16, paragraph 2 below and on gender balance shall be complied with.

5. Causes for cessation of office

The Shareholders' Meeting resolves on the dismissal of members of the Board of Directors by the means established by law.

If during the year for whatever reason one or more Directors ceases to hold office, the other Directors shall replace them with the first candidate not elected on the list to which the outgoing Director or Directors belonged, or with the subsequent candidates on the basis of the sequential order of the list if the first or subsequent persons do not accept the appointment or do not meet the independence requirements which may have been met by the Director to be replaced or if the composition of the Board of Directors is not such as to comply with applicable *pro tempore* laws and regulations on gender balance.

If for any reason it is not possible to effect the replacement on the basis of the procedure described in the above paragraph, the Directors remaining in office shall co-opt a Director, selecting the replacement or replacements from persons not included in any list, ensuring, if such is the case, that the independence requirements for the Director to be replaced and the *pro tempore* laws and regulations on gender balance are complied with. The Directors co-opted on this basis remain in office until the first Shareholders' Meeting.

Account shall not be taken of the list-based voting system at Shareholders' Meetings which must confirm or replace co-opted Directors, who only remain in office until the Shareholders' Meeting appoints Board members with the list-based voting system.

In any event, the Board of Directors and the Shareholders' Meeting shall appoint Board members so as to ensure (i) the presence of Independent Directors in the minimum number required by article 16, paragraph 2, and (ii) compliance with applicable *pro tempore* laws and regulations on gender balance.

If the majority of Directors appointed by the Shareholders' Meeting ceases to hold office due to resignation or other reasons, the whole Board falls and the remaining Directors shall urgently call a Shareholders' Meeting to appoint a new Board of Directors.

4. The Chairman and the standing members of the Board of Statutory Auditors are entitled to the annual emolument resolved by the Shareholders' Meeting for the whole term of their office.

- Article 29 -

Appointment of the Board of Statutory Auditors

1. Standing and Alternate Auditors are appointed, in compliance with applicable *pro tempore* laws and regulations on gender balance, on the basis of lists submitted by the shareholders in accordance with the provisions set forth below.
2. Shareholders who, alone or jointly with other shareholders, hold shares representing at least the minimum interest in the share capital required for the submission of lists for the appointment of Directors as per preceding article 14, paragraph 2 sub 2.3 are entitled to submit lists; lists are filed by such entitled shareholders at the Company's registered office by the means and within the time periods established by article 14, paragraph 2, sub 2.5.

As regards ownership of the minimum shareholding with voting rights at ordinary Shareholders' Meeting for the purpose of submitting a list, the provisions laid down in article 14, paragraph 2, sub 2.3 shall apply.

3. Article 14, paragraph 2, sub 2.7 shall apply.
4. Each list shall be divided into two sections, the first for the candidates for the position of Standing Auditor and the second for candidates for the position of Alternate Auditor, and must include a number of candidates not exceeding the number of Auditors to be appointed, listed in sequential order of preference.

Considering both sections, lists shall contain at least 3 (three) candidates and must include candidates representing both genders, so that at least 1/3 (one third), rounded up in the case of fractional number, of candidates on the list for the position of Standing Auditor, and 1/3 (one third), rounded up in case of fractional number, of candidates on the list for the position of Alternate Auditor, belong to the less represented gender.

A candidate may only be present in one list to be eligible.

5. The following documentation, where applicable, shall be filed together with each list at the Company's registered office, within the relevant term of filing:
 - information on the identity of the shareholders submitting the list, stating the total percentage shareholding having voting rights at ordinary Shareholders' Meetings;
 - declarations of shareholders who submit, or jointly submit, a list, other than those that hold, also jointly, a controlling or relative majority holding, attesting the absence of connections

with the latter qualified as relevant by *pro tempore* laws and regulations applicable to the Company;

- a comprehensive description of the personal and professional characteristics of each candidate, including information on offices held as director or statutory auditor in other companies, and a statement in which individual candidates accept their nomination and represent, under their own responsibility, that there are no causes for ineligibility or incompatibility, and that they meet the requirements established by laws, regulations and the Bylaws to hold the office of Statutory Auditor of the Company; as well as
 - any further documentation and declaration required by applicable *pro tempore* laws and regulations or that is useful for an overall assessment of suitability for the office, according to the guidelines that shall be publicly disclosed in advance by the Bank.
6. If, upon expiry of the term mentioned in paragraph 2 of this article, only one list is filed, or only lists submitted by shareholders which, based on the statements made pursuant to paragraph 5 of this article, are connected with each other pursuant to applicable *pro tempore* laws and regulations, the Company shall without undue delay give notice thereof by the means envisaged by applicable legislation, and lists may be submitted until the subsequent term provided for by law.
 7. Submitted lists that do not meet the above requirements will be treated as not having been submitted. Nevertheless, the absence of documentation regarding individual candidates on a list does not automatically lead to the exclusion of the whole list but only the candidates to whom the irregularity refers.
 8. The Board of Statutory Auditors shall be elected as follows:
 - (a) if several lists are filed in compliance with the previous paragraphs, 2 (two) Standing Auditors and 1 (one) Alternate Auditor are drawn from the list obtaining the majority of votes (the “**Majority List for the Board of Statutory Auditors**”). The remaining members of the Board of Statutory Auditors, namely 1 (one) Standing Auditor and 1 (one) Alternate Auditor, are drawn from the list which obtained the second highest number of votes (the “**Minority List for the Board of Statutory Auditors**”) and is not connected in any way, not even indirectly, as established by applicable *pro tempore* laws and regulations, with the shareholders who submitted or voted in favour of the Majority List for the Board of Statutory Auditors. The Chairman of the Board of Statutory Auditors shall be the Standing Auditor drawn from the Minority List for the Board of Statutory Auditors;
 - (b) if several lists obtain the same number of votes, the Majority List for the Board of Statutory Auditors is, for all purposes, the list submitted by shareholders holding the largest interest or, in second instance, the list voted by the highest number of shareholders (one vote per head). This applies also to the case where several minority lists obtain the same number of votes;

Should the resulting composition of the Board of Statutory Auditors, in its members (standing and alternate), fail to comply with the applicable *pro tempore* laws and regulations on gender balance, taking into account the order in which they are listed in the relevant section, the last candidates elected in the Majority List for the Board of Statutory Auditors of the more represented gender shall be removed in a number necessary to ensure compliance with the requirement, and shall be replaced by the first non-elected candidates of the less represented gender contained in the same list and the same section, based on the sequential order. If the number of candidates of the less represented gender in the relevant section of the Majority List for the Board of Statutory Auditors is not sufficient to proceed with the replacement, the Shareholders’ Meeting, subject to presentation of

candidates belonging to the less represented gender, shall appoint the missing Standing or Alternate Auditors by legal majority vote, ensuring the fulfilment of the requirement;

- (c) if only one list is submitted, the Standing Auditors and the Alternate Auditors will be elected within this list, in compliance with applicable *pro tempore* laws and regulations on gender balance. In this latter case, the Chairman of the Board of Statutory Auditors is the first person in the section relating to candidates for the position of Standing Auditor indicated in the only list submitted;
- (d) if no lists are submitted, the Shareholders' Meeting, subject to presentation of candidates for the position of Standing Auditor and Alternate Auditor, shall resolve by legal majority, without prejudice to compliance with applicable *pro tempore* laws and regulations on gender balance and the eligibility, independence, professional competence and integrity requirements for statutory auditors.

9. Without prejudice to article 8 above,

- (a) if a Standing Auditor ceases to hold office, the Alternate Auditor belonging to the same list as the outgoing Auditor shall take over the position. The Alternate Auditor shall remain in office until the next Shareholders' Meeting;
- (b) in the case of the replacement of a Standing Auditor, the Alternate Auditor belonging to the same list as the replaced Auditor shall take over the position, without prejudice to the fact that the Board of Statutory Auditors will continue to be chaired by the Minority Auditor, and the composition of the Board of Statutory Auditors must comply with applicable *pro tempore* laws and regulations on gender balance;
- (c) if the Shareholders' Meeting is required to appoint Standing and/or Alternate Auditors to fill vacancies on the Board, the following procedure shall apply:
 - (i) if Auditors elected on the basis of the Majority List for the Board of Statutory Auditors have to be replaced, the replacements shall be appointed by a relative majority vote without list voting, in compliance however with laws and regulations on gender balance;
 - (ii) if on the other hand Auditors elected on the basis of the Minority List for the Board of Statutory Auditors have to be replaced, the Shareholders' Meeting shall replace them, in compliance with regulations on gender balance, by a relative majority vote by selecting them from the candidates on the list of which the outgoing auditor was part.

Should the application of the above procedures not result in the replacement of the Auditors designated by the Minority List for the Board of Statutory Auditors for whatever reason, the Shareholders' Meeting shall resolve by relative majority. The replacement procedures referred to in the previous paragraphs shall in any case ensure that at least one Standing Auditor and one Alternate Auditor are elected by minority shareholders that are not connected in any way, not even indirectly, with the shareholders who submitted or voted in favour of the list that obtained the most votes, as well as ensure compliance with applicable *pro tempore* laws and regulations on gender balance.
