

Role Title: Video Editor	Time Commitment:- 3-4 hours per week
Reports to: Head of Content	Type of Role: Volunteer / Unpaid
Location: London	Direct reports: Freelance Videographers

## **You're Pride in London**

Pride in London means many things to many people, it belongs to our community and it belongs to you; come and join the conversation!

Forty-six years since the first Pride march in London, Pride in London has a renewed sense of purpose to highlight the challenges still facing the LGBTQ+ community today despite progress. We are run by a group of volunteers who are passionate about equality and diversity and are drawn from all walks of life; together we pull off the UK's biggest free LGBTQ+ community event every year. Pride aims to raise awareness of LGBTQ+ issues and campaign for the freedoms that will allow all of our community to live their lives on a genuinely equal footing.

Around 150 people volunteer year-round to help us deliver what has become a world-class Pride. We welcome applications from everybody, and are especially keen to attract new volunteers from the BAME, Trans, Bi, Non-binary and Queer communities who we would love to see more widely represented in our organisation.

## **Your new team**

Pride in London's Content Team is one of its newest teams, responsible for written, photography and videographic content. We've developed a team of photographers, created a Digital Asset Management System and written copy for hundreds newsletters, blogs, website pages and social media posts.

## **Your new volunteer role**

Pride in London is looking for a talented Video Editor to join our Content Team on a voluntary basis. The successful candidate will be able to understand the director's vision, collaborate with videographers, members of the core team, edit videos for broadcasting through various channels.

## **Role responsibilities**

- Manipulate and edit pieces in a way that's invisible to the audience
- Take a brief to grasp needs and specifications
- Review shooting script and raw footage to create shot list
- Help to manage Pride in London's team of volunteer videographers
- Trim footage segments and put together sequence of video

- Input music, dialogues, graphics and effects
- Create rough and final cuts
- Ensure logical sequencing and smooth running
- Consult with stakeholders from production to post-production
- Liaise with stakeholders across Pride in London and keep on top of future projects
- Support visual media partnerships

### **Who you are**

- Proven or previous experience as a Video Editor
- Experience with digital technology and video editing software packages
- Strong video editing skills with portfolio
- Thorough knowledge of timing, motivation and continuity
- Familiarity with special effects
- Creative mind and an eye for detail
- Good time-management, organisational and leadership skills

### **What you'll get about joining pride in London**

- An induction course and a variety of training that's offered throughout the year
- An opportunity to get new and relevant professional experience
- A chance to broaden your professional network
- Play an important part in delivering Pride event
- Social opportunities to meet the diverse and friendly bunch who volunteer for Pride in London
