You're Pride in London

Pride in London means many things to many people, it belongs to our community and it belongs to you; come and join the conversation!

Forty-six years since the first Pride march in London, Pride in London has a renewed sense of purpose to highlight the challenges still facing the LGBTQ+ community today despite progress. We are run by a group of volunteers who are passionate about equality and diversity and are drawn from all walks of life; together we pull off the UK's biggest free LGBTQ+ community event every year. Pride aims to raise awareness of LGBTQ+ issues and campaign for the freedoms that will allow all of our community to live their lives on a genuinely equal footing.

Around 150 people volunteer year-round to help us deliver what has become a world-class Pride. We welcome applications from everybody, and are especially keen to attract new volunteers from the BAME, Trans, Bi, Non-binary and Queer communities who we would love to see more widely represented in our organisation.
