# Collection of Wristband

- Arrive Gather Point (10:30am – 12:00pm)

- Show your confirmation email (on phone/printed)

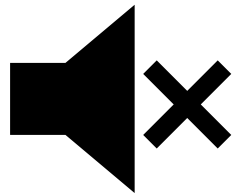

- Collect wristband to join the safe space in parade

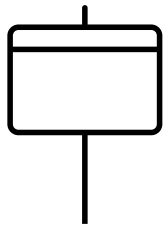

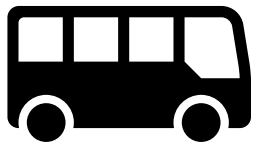

- Our volunteers and a BSL interpreter will be available from 10:30am to welcome you and answer any questions you may have.

- We do not allow whistles or megaphones in the Safe Space as we want to reduce the immediate noise for people in our group with sensory sensitivities and assistance animals.

- You are welcome to bring banners with you but our volunteers cannot help you carry them.

- The shuttle continues with the Safe Space to Trafalgar. It can be used for rest, or as somewhere quieter to experience the parade from.
