

Float Sign off Certificate

This document (when signed) should be taken as confirmation the Float has been built/dressed by competent persons and is safe so far as is reasonably practicable, it also conforms to the standards listed below.

This also confirms that I have read and understood the requirements of Pride in London with reference to the parade safety and will abide by all of the requirements.

Float name/ number.....

Please tick appropriate box
Yes No

I confirm there are no signs, slogans or specific language containing suggestive references considered inappropriate for family entertainment or offensive to spectators

--	--

I will discourage the handing out of samples and flyers, and understand that if I wish to distribute any such items I will gain permission of the Parade Manager and will ensure that such items are distributed directly to the public by our stewards and will not be thrown or handed out from the vehicle

--	--

I will ensure suitable straps/ handrail are used to prevent falls from the Float and will ensure no one mounts or leaves the vehicle whilst in motion

--	--

I confirm no member of the Float team is under the influence of alcohol, controlled drugs or impaired by prescribed drugs

--	--

I will ensure there will be no smoking on the float

--	--

Any equipment used or mounted on the Float/ vehicle has been suitably secured to prevent any movement or shift during and braking, emergency or otherwise

--	--

Any temporary electrical installation is safe

--	--

I understand that if I answer 'NO' to any of the above and cannot rectify the issue in a timely manner I may be requested to leave the Parade.
