

Manage your account with ease

Once logged in, there's so much more you can do:

Register

Online Access

Register for our 24/7 online service. It's our way of giving you the convenience your busy schedule demands.

Three easy ways to register:

-  nationwide.com/agclient
> Register
-  1-800-228-6700
-  rmsolutions@nationwide.com

Once registered, you can:

- Designate a SuperUser
- Tailor user access permissions
- Administer security rights
- Customize the users' experience

If your company hasn't designated a SuperUser, you must have an owner, officer or director complete the Customer User Designation Form on the back, and email it to rmsolutions@nationwide.com in order to be granted access.

Manage

Access reports

I hereby represent that I am an Owner, Officer or Director of the above organization and have the authority to appoint these SuperUsers on behalf of the organization. I understand that whoever I appoint as a SuperUser will have unlimited access to the information and data relating to my organization that is housed on the Nationwide commercial agribusiness online access system, including but not limited to claims information, accounting data and policy information. I also understand that each SuperUser will have the power to add and delete other users as well as the power to appoint additional SuperUsers.

I understand that it is the responsibility of my organization, via the SuperUsers, to add and delete users as well as set their appropriate access levels. I understand and agree that the appointed SuperUsers will be solely responsible for granting, denying or removing access for my organization's users as appropriate.

I understand and agree that no third parties are allowed access to this system.

Signature is required. Please scan the signed document and email to: rmsolutions@nationwide.com.
