The Issuer reserves the right at any time to vary or terminate the appointment of the Paying Agent and to appoint another Paying Agent, additional or other paying agents. The Issuer shall at all times maintain a Paying Agent. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Holders in accordance with § 14.

7.3 Agents of the Issuer

The Paying Agent and any other paying agent appointed pursuant to § 7.2 act solely as the agents of the Issuer and do not assume any obligations towards or relationship of agency or trust with any Holder.

8. Taxation

8.1 Payments Free of Taxes

All amounts payable in respect of the Notes and any Reinstated 2026 Senior Secured Principal PIK Interest Payment shall be made without withholding or deduction for or on account of any

present or future taxes or duties of whatever nature imposed or levied at source by way of withholding or deduction by or on behalf of the Federal Republic of Germany or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law.

8.2 Payments of Additional Amounts

If such withholding or deduction with respect to amounts payable in respect of the Notes (including any Reinstated 2026 Senior Secured Principal PIK Interest Payment) is required by law, the Issuer will pay such additional amounts (the “**Additional Amounts**”) as shall be necessary in order that the net amounts received by the Holders, after such withholding or deduction shall equal the respective amounts which would otherwise have been receivable in the absence of such withholding or deduction; except that no such Additional Amounts shall be payable on account of any taxes or duties which:

- (a) are payable otherwise than by withholding or deduction from payments, made by the Issuer to the Holder, or
- (b) are payable by any Person acting as custodian bank or collecting agent on behalf of a Holder, or otherwise in any manner which does not constitute a withholding or deduction by the Issuer from payments of principal or interest made by it, or
- (c) are payable by reason of the Holder having, or having had, some personal or business relation to the Federal Republic of Germany and not merely by reason of the fact that payments in respect of the Notes are, or for purposes of taxation are deemed to be, derived from sources in, or are secured in, the Federal Republic of Germany, or
- (d) are withheld or deducted by a paying agent from a payment if the payment could have been made by another paying agent without such withholding or deduction, or
- (e) would not have been imposed, withheld or deducted but for the failure of the Holder or beneficial owner of Notes (including, for these purposes, any financial institution through which the Holder or beneficial owner holds the Notes or through which payment on the Notes is made), following a written request by or on behalf of the Issuer or a Paying Agent addressed to the Holder or beneficial owner (and made at a time that would enable the Holder or beneficial owner acting reasonably to comply with that request, and in all events, at least 30 days before any withholding or deduction would be required), to comply with any certification, identification, information or other reporting requirement whether required by statute, treaty, regulation or administrative practice of the Federal Republic of Germany, that is a precondition to exemption from, or reduction in the rate of withholding or deduction of, taxes imposed by the Federal

Republic of Germany (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Federal Republic of Germany), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification, information or documentation, or

- (f) are estate, inheritance, gift, sales, excise, transfer, personal property or similar taxes, or
- (g) are payable by reason of a change in law that becomes effective more than 30 days after the relevant payment becomes due, or
- (h) any taxes that are imposed or withheld pursuant to the German Defence against Tax Havens Act (*Gesetz zur Abwehr von Steuervermeidung und unfairem Steuerwettbewerb und zur Änderung weiterer Gesetze*) as amended, or
- (i) are payable due to any combination of items (a) to (h),

nor shall any Additional Amounts be paid with respect to any payment on a Note to a Holder who is a fiduciary or partnership or who is other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of the Federal Republic of Germany to be included in the income, for tax purposes, of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to such Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of the Note.

For the avoidance of doubt, the withholding tax levied in the Federal Republic of Germany at the level of the custodian bank (or any other German paying agent (*auszahlende Stelle*)) plus the solidarity surcharge imposed thereon as well as church tax, where such tax is levied by way of withholding, pursuant to tax law as in effect as of the Amendment Date do not constitute a tax or duty as described above in respect of which Additional Amounts would be payable by the Issuer.

In the event that, due to a change in law, the withholding tax levied in the Federal Republic of Germany at the level of the custodian bank (or any other German paying agent other than the Issuer (*auszahlende Stelle*)) and the solidarity surcharge imposed thereon including church tax, where such tax is levied by way of withholding, pursuant to tax law as in effect as of the Amendment Date have to be levied at the level of the Issuer in the future, these, too, do not constitute a tax or duty as described above in respect of which Additional Amounts would be payable by the Issuer.

8.3 FATCA

Notwithstanding any other provisions contained herein, the Issuer shall be permitted to withhold or deduct any amounts required pursuant to an agreement described in section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Code**”) or otherwise imposed pursuant to sections 1471 through 1474 of the Code (or any amended or successor provisions), any regulations or agreements thereunder, official interpretations thereof, or any law implementing and intergovernmental approach thereto (“**FATCA Withholding**”). The Issuer will have no obligation to pay additional amounts or otherwise indemnify an investor for any such FATCA Withholding deducted or withheld by the Issuer, any paying agent or any other party.

8.4 Other Tax Jurisdictions

If at any time the Issuer becomes subject to any taxing jurisdiction other than, or in addition to, the currently relevant taxing jurisdiction of the Issuer, references in this § 8 to the jurisdiction of the Issuer shall be read and construed as references to the jurisdiction of the Issuer and/or to such other jurisdiction(s).

9. Presentation Period, Prescription

- (c) the Issuer or a Guarantor fails duly to perform, or is otherwise in breach of, any covenant (other than § 11.1 but including, for the avoidance of doubt, § 11.5(c)) or undertaking or other material agreement of the Issuer or such Guarantor in respect of the Notes or the Guarantee, as applicable, and such failure, if capable of remedy, continues unremedied for more than 30 days after the Paying Agent has received a written request thereof in the manner set forth in § 10.2 from a Holder to perform such obligation; or
- (d) (i) the Issuer or any Subsidiary fails to pay principal of, or interest or other amounts due under, any Financial Indebtedness at their specified maturity prior to the expiration of any grace period provided in such Financial Indebtedness on the date of such default (a "**Payment Default**") or (ii) any Financial Indebtedness of the Issuer or any Subsidiary becomes due and payable prior to its specified maturity (whether by declaration, automatic acceleration or otherwise) as a result of an event of default (howsoever described) and, in each case, the aggregate principal amount of any such Financial Indebtedness, together with the principal amount of any other such Financial Indebtedness under which there has been a Payment Default or the maturity of which has been accelerated as a result of an event of default (howsoever described), is EUR 3,000,000 or more (or its equivalent in any other currency or currencies). For the avoidance of doubt, this subparagraph (c) shall not apply, where the Issuer or the relevant Subsidiary contests in good faith that such payment obligation exists, is due or the requirements for the acceleration are satisfied; or
- (e) the Issuer, a Guarantor or a Material Subsidiary announces its inability to meet its financial obligations or ceases its payments generally; or

- (h) any security interest under the Security Documents ceases to be in full force and effect (other than in accordance with the terms of the relevant Security Documents, the Intercreditor Agreement and these Terms and Conditions and except through the gross negligence or wilful misconduct of the Security Trustee) with respect to Collateral individually or in the aggregate, having a fair market value in excess of EUR 4,000,000 for any reason other than the satisfaction in full of all obligations under these Terms and Conditions or the release of any such security interest in accordance with the terms of these Terms and Conditions, the Intercreditor Agreement or the Security Documents or any such security interest created thereunder is declared invalid or unenforceable in a judicial proceeding or the Issuer or any Subsidiary asserts in writing that such security interest is invalid or unenforceable and any such default continues for 10 days; or
- (i) any guarantee provided by any Guarantor under the Guarantee ceases to be in full force and effect (other than in accordance with the terms of the Guarantee and these Terms and Conditions) or is declared invalid or unenforceable in a judicial proceeding or any Guarantor denies or disaffirms in writing its obligations under the Guarantee and any such default continues for ten (10) days; or

 - i) has been proposed by the Issuer and the Holders' Representative acting upon direction of Holders in accordance with § 13.5(c) has consented to such proposal; or
 - ii) has been proposed by the Holders' Representative acting upon direction of Holders in accordance with § 13.5(c) provided that the proposed Independent Asset Expert does not result in higher fees, costs and expenses as the initial or preceding Independent Asset Expert; or
- (k) a Change of Control occurs after the Amendment Date and following the occurrence of the Super Senior Notes Discharge Date, whereas

a **"Change of Control"** shall be deemed to have occurred at each time (whether or not approved by the management board or supervisory board of the Issuer) that:

 - i) in the event of a public tender offer for shares of the Issuer a situation arises in which
 - (a) shares already directly or indirectly under the control of the bidder and/or Persons acting in concert with the bidder and shares which

- (b) the offer is or has become unconditional (other than for conditions relating to regulatory, in particular merger control, approvals and other conditions the satisfaction of which may remain pending following the end of the acceptance period pursuant to section 16 paragraph 1 of the German Takeover Act (*Gesetz zur Regelung von öffentlichen Angeboten zum Erwerb von Wertpapieren und von Unternehmensübernahmen*); or
- ii) any Person and/or Persons acting in concert otherwise acquires Control; or
- iii) the Issuer sells or otherwise transfers all or substantially all of its assets to any Person (except to any Controlled Subsidiary),

provided that, for the avoidance of doubt, a “Change of Control” shall not be deemed to have occurred as a result of the acquisition of Control by any Person due to or as a result of the implementation of the restructuring solution as publicly announced by the Issuer on 29 March 2025 by virtue of the in-court restructuring scheme pursuant to the German Restructuring Act (*Gesetz über den Stabilisierungs- und Restrukturierungsrahmen für Unternehmen, StaRUG*) notified by the Issuer to the local court (*Amtsgericht*) of Berlin-Charlottenburg on 25 April 2025 under file no. 3614 RES 2403/25 and with the underlying restructuring plan having been confirmed by the restructuring court on 23 September 2025.

For the avoidance of doubt, the right to declare Notes due in accordance with this § 10 shall terminate if the situation giving rise to it has been cured before the right is exercised and it shall be permissible to cure the Event of Default pursuant to § 10.1(d) by repaying in full the relevant Financial Indebtedness.

10.4 Rescission of Termination by Resolution of Holders

The Holders may rescind any termination with respect to the Notes and its consequences within three months of the termination by a resolution of the Holders passed by simple majority if such rescission would not conflict with any judgment or decree of a court of competent jurisdiction; provided, however, that the aggregate of such cast votes exceeds the number of votes having required the termination.

10.5 Suspension of Issuer's Payment Obligation

The obligation of the Issuer to make payments under the Notes pursuant to § 10.1 and § 10.4 shall be suspended for the three months during which such termination may be rescinded by a majority resolution of the Holders pursuant to § 10.4.

If any breach of § 11.3 occurs and the corresponding Event of Default has not been remedied pursuant to § 10.1(c), any obligation of the Issuer to redeem any Outstanding Reinstated 2026 Subordinated Principal Amount at any time, whether as a result of an acceleration pursuant to § 10.1, maturity or otherwise, shall not benefit from the Qualified Subordination in an amount equal to the amount distributed in breach of § 11.3. The Qualified Subordination shall not apply to such amounts and such shall become due and payable as unsubordinated claims without any limitation or defense resulting from the Qualified Subordination.

11. Covenants

The Issuer shall not permit Net Financial Indebtedness as of any Testing Date to exceed 65% of the Adjusted Total Asset Value as of such Testing Date.
