

## SIRENS & SPEAKERS

### Z3™ SIREN

#### Easy To Operate Control Head

The Z3™ Siren is easy to operate with three distinct zones: sirens and primary lighting (red), auxiliary lighting and other equipment (blue), and traffic or warning function (yellow). The different size and shape buttons are located quickly to allow operation without the officer taking their eyes off the road. It features adjustable backlight brightness and adjustable public address microphone to meet varying noise conditions. Features include a built in battery voltage check, sleep mode timer, horn-ring transfer, 8 programmable auxiliary buttons, and 5 programmable siren buttons.

#### Models

PART NO.	TYPE
Z3	Z3 Push Button Control Head

#### Features and Benefits

- 12 VDC
- 100W/200W
- Easy to operate controller with three distinct zones: sirens and primary lighting (red), auxiliary lighting and other equipment (blue), and traffic or warning function (yellow)
- Eight programmable auxiliary buttons
