INTERIOR LIGHTING

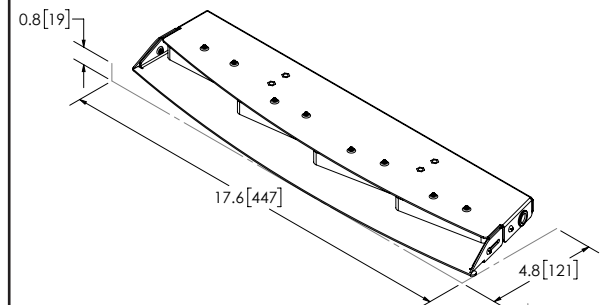

THIN SUPERVISOR™ - MATRIX® ENABLED

Windshield-Mounted Interior Light

Code 3's Thin SuperVisor™ is designed to fit police pursuit vehicles, special service vehicles and many other platforms. The quick connection allows users to easily install driver and passenger sides separately or together. The expertly-designed gaskets minimize distracting flash back. Install it with existing visor hardware to provide discreet lighting when needed. Available with dual- and tri-color LEDs. The Matrix-enabled unit can sync with the unit's other emergency warning devices.
