

C5550 SERIES REFLEX® 11" LED MICROBAR

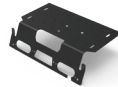

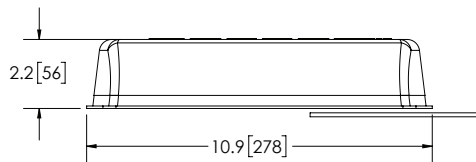

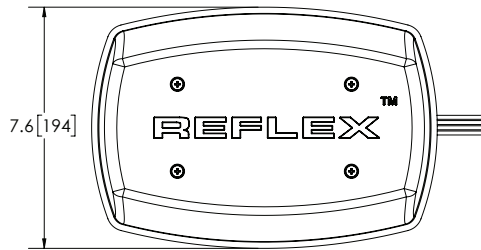

C5550CRB

The Micro Reflex® Series LED minibar provides a low-profile, yet powerful warning solution that features single- or dual-color LEDs that produce dozens of flash patterns. Choose from single- or dual-color lightheads that deliver highly visible, focused light to meet the public safety need. Integrate the microbar with the unit's complement of exterior warning lights with the permanent mount model. The temporary, vacuum-magnet models allow operators to quickly cycle through flash patterns with simple on/off/selection switch functionality.

VOLTS AMPS	12-24V 3.4A
DIMS	2.2" H x 10.9" L x 7.6" D 59mm H x 277 L x 193mm D
