

# TRAFFIC STIKS

## MEGA THIN™ STIK SERIES

### Low-Profile, Versatile Combination Light

Code 3's Mega Thin™ Stik is the thinnest combination warning and emergency light in the industry. The waterproof, compact design allows for virtually limitless interior or exterior applications such as upper and rear deck or behind the grille. Increases user flexibility for emergency and directional operations by offering the following functions: warning lights, ArrowStik®, and extra reverse or scene lighting.
