

CD9012 HIDE-A-BLAST™ SERIES

POWERFUL WARNING, STANDARD OR CONCEALED MOUNT

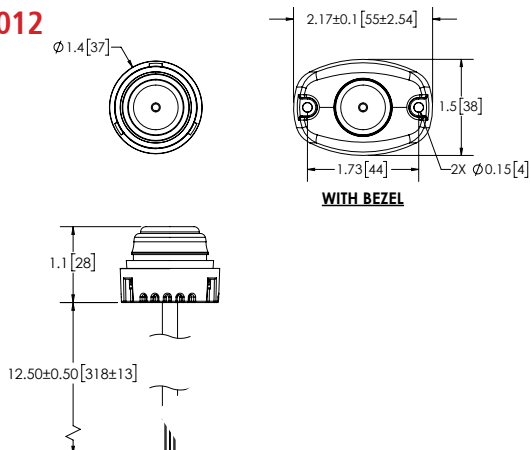

Available in single- or dual-color, the compact and Matrix® compatible CD9012 features 12 intense LEDs that command attention. The exterior light can be mounted on the vehicle's surface with the included bezel and bracket, or concealed by drilling a 1" hole in the headlight and taillights. A twist-lock mounting option is available for the Ford 2020 PIU Headlight. The CD9012 features a dim and steady-burn function as well as a sync capability with other exterior lighting devices such as the XTP and MICROPAK Series.
