

PORTABLE SELF-CONTAINED KIT

TURN ANY VEHICLE INTO
AN EMERGENCY VEHICLE

Each kit comes in a waterproof travel case, siren with controller, speaker, internally mounted warning lights and necessary wiring for quick and easy set up. It can be used on any fleet vehicle, temporary vehicle for crisis situations or other unique details such as government security, special events and surveillance. The kit includes complete installation instructions that allow you to be ready for a quick transition from street to emergency use.
