LIMITED-TIME PROMOTION

UPFIT YOUR POLICE VEHICLE WITH THE CODE 3 TOTAL VEHICLE SAFETY PACKAGE AND SAVE BIG NOW THROUGH DECEMBER 31, 2020

This introductory package features the NEW Covert™ Matrix® Enabled Lightbar at only 1.6" high and built with 45% more robust materials. Endless configurations are available with the click, drag and drop Matrix® Software. Choose from a rotary or push button controller and configure each button to whatever you choose. The Covert includes the super bright Torus lightheads, plus customize with emitters right inside the bar to keep you extra safe as you approach an intersection.
