

## MR6 SERIES MULTI-MOUNT

The MR6 and MR24 deliver exceptional straight-on and off-angle performance with Total Internal Reflector (TIR) or linear optics technology. These versatile LEDs offer the flexibility of four mounting options – surface mount, tilt bracket, self-adhesive mount, and edge mount – to mount virtually anywhere on police, fire and other emergency vehicles. They're available in single-, dual- and quad-color LED configurations with up to five color options. Features include a water-resistant design, phase syncing and sync function with other Code 3 warning lights.

VOLTS   AMPS	12-24V   0.9A (single-color, quad-color), 1.25A (dual-color)
DIMS	1.2" H x 5.2" L x 0.8" D   32mm H x 132mm L x 20mm D
MOUNTING HOLE SPACING	4.74"   121mm
FLASH PATTERNS	29 (single-color), 69 (dual-color), 286 (quad-color)
CERTS	[CLASS I (SAE J595) excludes G], CA T13 (A, B, R only), CE, UKCA, R10, R65 (A, B, & R only), IP67, IP69K, ROHS
