

FOCUS360™ 3010 SERIES REMOTE SPOTLIGHT

The Focus360™ 3010 Series are multifunctional, motorized spotlights with remote control functionality. With advanced reflective optics, the spotlight casts an intense beam of light over 4,450 ft. It rotates a full 360° and can tilt 135° and features a "return to home" setting when powered off. The components are protected by a polycarbonate lens and tough ASA resin housings, which are available in black or white.
