

CC7008-WK GEMINEYE™

7" QUAD VIEW LCD COLOR
WIRELESS SYSTEM

The Gemineye™ is a wireless quad-view camera system that is easy to install and designed with minimal wiring. The system allows for easy review and retrieval of data with a secure digital (SD) card. The 7-in. color LCD screen is high-resolution, features touch screen operation and has a built-in controller. The quad split screen is designed to view up to four wireless cameras.
