

## OL-M180L™ TRIPLE STACK SERIES HEADLIGHT MOUNTING ASSEMBLY

The OL-M180™ Triple Stack provides the functionality of an intense warning light and a useful worklight to illuminate the scene. It utilizes three rows of LED lights to produce a bright, off-angle, 180° spread. Features include 29 flash patterns for single-color models, 69 flash patterns for dual-color models, steady burn and an IP67 rating.
