Roadside Rechargeable Flasher Kits

Code 3's heavy-duty, roadside kit includes powerful scene lighting with a convenient charging case. Illumination from the four warning lights is ideal for emergency scenes and roadside assistance vehicles. The high-impact housing ensures safety during any situation, and perimeter flashes will last up to 12 hours when fully charged. Also included in the kit are AC/DC and cigarette adapters.

Models

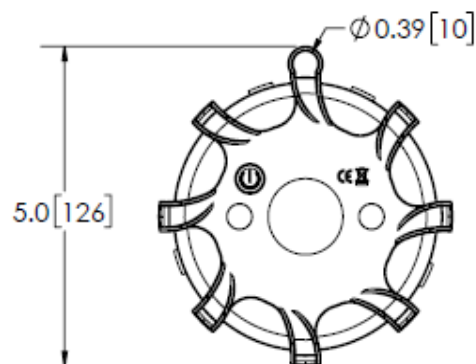

PART NO.	VOLTAGE	AMPS	FLASH PATTERNS	MOUNT
CT0010	5	1.4	9	Magnet
