MEGA THIN™ SERIES
SURFACE MOUNT

CD3602RW

CD3802RW
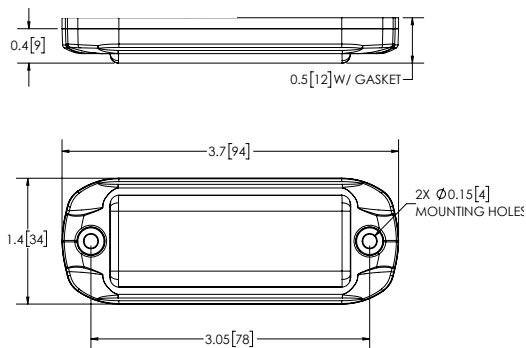

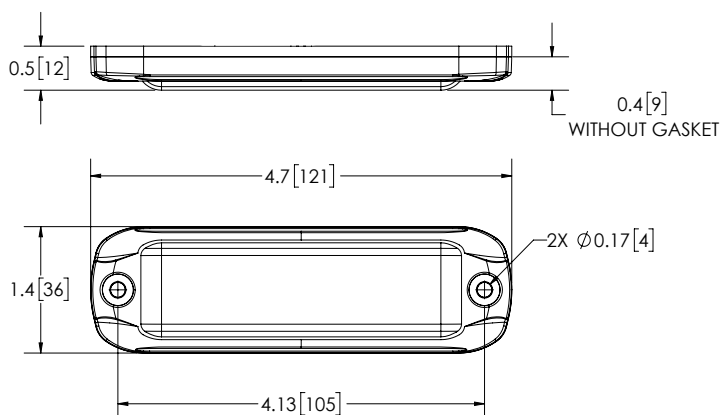

The Mega Thin™ Series exterior LED warning light has an ultra-thin profile and durable construction to resist moisture and corrosion. Designed for emergency vehicles, it provides bright, off-angle performance with curved optics for better visibility. Phase 1 and 2 syncing and compatibility with other Code 3 lights increase versatility. Its surface mount design allows easy installation and the smoked lens option offers discretion for unmarked vehicles.
