

BANSHEE® SIREN AMP

AMPLIFIER SIREN SYSTEM WITH
DUAL TONE AND LOW FREQUENCY

The Banshee® is the only siren amplifier system with eight dual tones, three low-frequency tones, electronic air horn and additional built-in specialty tones. It works with any siren system on the market; retrofit to any emergency vehicle. Features include unique command alert, yelp stop tones and universal dual tones. Operate the electronic air horn independently of the primary siren or while the primary siren is engaged.
