

VISOR FLIP LIGHT SERIES

PLUG-AND-PLAY, LOW COST

VFP36RB

With just a flip and a button push, the Visor Flip Series produces an intense warning signal from its two LED lighthead. The economical and discreet visor light features 26 flash patterns, colored or clear outer lenses, a durable black polycarbonate housing, a nine-ft. cable with lighter plug and an easy-to-use on/off switch and selector. It mounts easily with two Velcro® straps.
