

XT NARROWSTIK™ SERIES

TRAFFIC DIRECTING SIGNAL

XT308RB

The XT Narrowstik™ exterior light mounts above the rear window and features emergency warning and traffic-directing flash patterns. Available in three lengths and single- or dual-color lighthead, the warning light delivers 32 flash patterns. The XT308 is an 8 head version with clear and amber LEDs. It features a switch panel and 32 flash patterns along with a night operation mode. A mounting kit with L-shaped bracket is included for easy installation.
