

SIRENS & SPEAKERS

H2COVERT SIREN

Hand-Held Controller Siren System

The H2 Covert allows for installation in undercover or nontraditional emergency vehicles or when space is limited, and provides users with full control of siren, lights, and a public address mic all in a handheld, backlit controller. Features include radio rebroadcast, instant on, stand-by, siren scroll, push button programmable siren tones, and Banshee® siren amp compatible for additional features.

Model
