

Elevate your medical career with Teladoc Health.

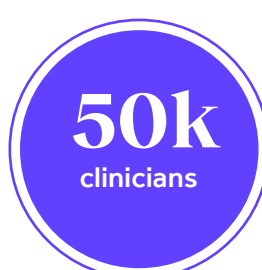

Join us in our mission to help bring high-quality, whole-person care to all Canadians through virtual technology.

1

Help us transform the global healthcare experience.

Teladoc Health is the **global leader in whole-person virtual care**, founded on the idea that everyone should have access to the best healthcare, anywhere in the world, on their terms. Today, we deliver on this mission to **over 9 million Canadians** and enable enterprise-level virtual care for over 4000 hospitals and health systems internationally.

2

Deliver impactful healthcare at no cost to patients.

EXPAND ACCESS TO HIGH-QUALITY CARE THAT IS

Convenient

Our virtual platform removes geographic barriers to care, enables higher patient engagement, and supports effective relationship building that drives positive health outcomes.

Comprehensive

Our technology provides patients with timely access to whole person care, empowering clinical interdisciplinary knowledge sharing across a continuum of care.

Safe

Patient safety and clinical quality is our top priority. We emphasize building trust with our patients and providers to uphold the highest clinical standards.

Make a greater impact by practicing virtually **across Canada** with opportunities for **full reimbursement of cross-province licensing**.

3

Engage in a flexible practice that promotes work-life balance.

We understand the importance of maintaining your personal wellness while providing high-quality care.

Our clinical model allows you to:

	Work from the comfort of your own home
	Enjoy flexible scheduling
	Focus on patient care, with no administrative burden
	Rely on our provider support team to coordinate supplementary non-clinical tasks

Join our **collaborative network of providers** to engage in inter-departmental knowledge sharing, mentorship and personal development.
