Welcome to Teladoc Health's Find A Doctor service.	The Teladoc Health logo appears.
Are you looking for a trusted doctor in your area, but not sure where to look? Having problems with finding a specialist? Whether it's finding a new doctor or looking for a specialist, Teladoc Health can help.	A female doctor stands in a lab. A woman sits at her computer and expresses frustration. A man sits on a couch and scrolls on his phone.
With Teladoc Health's Find a Doctor, we can help make the difficult task of finding a family doctor or a specialist a little easier.	A woman is sitting at her computer. A female doctor greets her patient.
In geographic areas where physicians are accepting new patients, our Find a Doctor service will provide you with a list of up to 3 physicians and the patient requirements.	Three doctors stand next to each other and are shown smiling.
If you're looking for a specialist, we can often help to provide you with wait times and the requirements to get a referral from your treating physician.	A doctor sits at his computer doing research and makes notes in his notebook.
With Teladoc Health's Find A Doctor, finding a doctor or a specialist doesn't have to be so stressful, giving you peace of mind for your healthcare journey ahead.	A doctor speaks to her patient who is sitting on a couch and listening intently. A woman sits on her deck and looks out at the city.
