Q26 If I enrolled as a new Ambassador during the middle of a Contest Period can I still participate in the Consistency Club Program?

A26 Yes. However, you will only be eligible to receive monthly recognition for that Contest Period. This includes a first-time certificate. Unfortunately, Ambassadors who enroll in the middle of a Contest Period will not be eligible to earn the Convention Award and Stage Recognition.

Example: If Ambassador enrolls in August, they would not qualify for Contest Period 1 of Consistency Club (July, August and September). They would receive monthly recognition in email/mail certificate but WOULD NOT qualify for the 1st Contest Period. Ambassador would also NOT qualify for the OVERALL Annual Recognition Award + Stage Recognition as they would need to earn Consistency Club for all 3 Contest Periods.

Q27 Who do I contact if I have any questions about the program?

A27 You can email consistencyclub@plexusworldwide.com and one of our Plexus Team members will be in contact with you directly!
