### Product Information

- Tariff is only available to new (and existing) customers who are taking a three or four service bundle.
- Customers must continue to take a three or four service bundle for the life of the tariff – if they cancel any services, they will automatically be transferred to the cheapest available fixed tariff of the same version number they are eligible to receive and if none is available they may be transferred to the cheapest available variable tariff they are eligible for at that time.
- There is an early termination fee on this tariff – if a customer chooses to move to an alternative tariff we offer or they decide to move their energy services within the fixed period to another supplier, we reserve the right to charge a fee of £75 (inc. VAT) per fuel.
- Customers taking both gas and electricity from us will benefit from a dual fuel discount of £12.38 (ex. VAT) per fuel – this amount being deducted on a daily basis from the standing charge.
- Prices are excluding VAT.
- Fixed end date 31 January 2027.
