Constitution of Scentre Group Trust 3

Date: 19 October 2010

Operative provisions:

This deed poll is declared by RE2 Limited (ABN 41 145 744 065) to be the constitution of the Westfield Retail Trust 2.¹

1 Name of Trust

- 1.1 The Trust is called Scentre Group Trust 3 or by such other name as the Manager determines from time to time.
- 1.2 If a Manager retires or is removed its successor as Manager must, unless otherwise approved by the former Manager, change the name of the Trust to a name that does not imply an association with the former Manager or its business.

2 Assets held on trust

- 2.1 The Manager must hold the Assets on trust for Members.
- 2.2 The Assets vest in the Manager. The Manager must identify the Assets as property and rights of the Trust in its records, but while the Trust is not a Registered Scheme, the Manager may combine the Assets with any other property or rights. While the Trust is a Registered Scheme, any Assets held by the Manager as responsible entity of the Trust must be clearly identified as property of the Trust and held separately from the assets of the Manager or any other managed investment scheme if and to the extent that the Corporations Act so requires. Subject to law, the Manager may have assets held by a Custodian.

3 Units, Options and Financial Instruments

Nature of Units

- 3.1 The beneficial interest in the Trust is divided into Units.
- 3.2 Subject to any rights, obligations or restrictions attaching to any particular Unit, each Unit confers an equal undivided interest.
- 3.3 A Unit confers an interest in the Assets as a whole, subject to the Liabilities. It does not confer an interest in a particular Asset.
- 3.4 Subject to the Corporations Act, the Manager may create and issue Units. The Manager may not issue different classes of Units except Units which may temporarily be of a different class due to different income entitlements under clause 3.16. Except to the extent specified in their terms of issue, all Units will rank equally.

¹ The name of the Trust was changed on 30 June 2014 from Westfield Retail Trust 2 to Scentre Group Trust 3.
11782388_6

Options

- 3.5 The Manager may create and issue Options on such terms as the Manager determines, to the extent that the terms are not inconsistent with the provisions of this constitution which are required to be included in it by section 601GA of the Corporations Act. An Option will not confer any interest in or any rights to participate in the income or capital of the Trust. Options may be issued with Units or separately. A person becomes an Option Holder when their holding of Options is entered in the Register of Option Holders.

An offer of Options may be renounced in favour of another person unless it is expressed as non-renounceable. The terms of issue may allow the Manager to buy back the Options.

- 3.6 While Stapling applies:
- (a) an Option may only be exercised if, at the same time as Units are acquired pursuant to the Option, the Same Person acquires an identical number of Attached Securities which are then Stapled to the Units; and
 - (b) an Option over a Unit may only be offered, issued, transferred or redeemed if arrangements are in place such that on exercise of the Option, the Same Person acquires or retains (as applicable) an identical number of Options over Attached Securities.

Other jurisdictions

- 3.7 If the Trust is a Registered Scheme and the Manager is making a pro rata offer of Options to Members which complies with the conditions for a pro rata offer of Units set out in clause 5.4, the Manager is not required to offer Options to persons whose address on the Register is outside Australia and New Zealand (or who holds Units on behalf of a person outside Australia or New Zealand) in the circumstances permitted under the applicable ASIC Relief² and, if relevant, the Listing Rules.

Exercise of Options

- 3.8 To exercise an Option, the holder of the Option must give notice to the Manager in accordance with the terms of the Option, together with payment of the exercise price. The Option Holder is entitled to subscribe for and be allotted the number of Units as the terms of the Option contemplate.

Lapse of Options

- 3.9 An Option lapses on the earliest of:
- (a) the date stipulated in the terms of issue of the Option; or
 - (b) the termination of the Trust; or
 - (c) the winding up of the Trust,
- and the liability of the Manager ceases in respect of the Option.

² See ASIC Class Order [CO 13/656].

Rights attaching to Units and Options

- 3.10 Subject to the Corporations Act, the interests of Members holding Units will prevail over the interests of holders of Options in the case of conflict.

Fractions of Units and Options

- 3.11 Fractions of a Unit or Option may be issued by the Manager, but while the Units or Options are Officially Quoted, fractions of a Unit or Option may not be issued. If any fractions of Units or Options are on issue at a time when the Trust is to be Listed, the Manager may cancel the fractions with effect from the date of Listing.
- 3.12 Subject to clause 5.7(b), where any calculation performed under this constitution or the terms of a withdrawal offer would otherwise result in the issue, redemption or other creation or cancellation of a fraction of one Unit or Option, that fraction may be rounded down or up to such number of decimal places as the Manager determines.
- 3.13 The provisions of the constitution relating to Units and Members apply to fractions of Units and Options in the proportion which the fraction bears to one Unit or Option.

Rounding

- 3.14 Any excess application or other money or property which results from rounding under any provision of this constitution becomes an Asset of the Trust.

Uncertificated trading

- 3.15 If and for so long as dealings in any Units, Options or Financial Instruments take place under an Uncertificated Transfer System:
- (a) the Manager need not issue any certificate in respect of Units, Options or Financial Instruments held as an Uncertificated Securities Holding; and
 - (b) the Register may distinguish between Units, Options or Financial Instruments held in certificated form, and securities held as an Uncertificated Securities Holding.

Income entitlement of Units

- 3.16 The Manager may issue Units on terms that the Units:
- (a) participate fully for Distributable Income in respect of the Distribution Period in which they are issued; or
 - (b) do not entitle the holder of the Units to receive a distribution of Distributable Income in respect of the Distribution Period in which the Units are issued; or
 - (c) entitle the holders to receive Distributable Income in respect of the Distribution Period in which the Units are issued which is not greater than the proportion of the Distributable Income to which a Member holding a Unit during the whole of that Distribution Period would be entitled, multiplied by the number of days from the date of allotment of those Units to the end of that Distribution Period divided by the total number of days in that Distribution Period.

Consolidation and division of Units, Options and Financial Instruments

- 3.17 Units, Options and Financial Instruments may be consolidated or divided as determined by the Manager. While Stapling applies, no consolidation or division of Units or Options may occur unless at the same time as Units are consolidated or divided, there is a corresponding consolidation or division of each Attached Security.

Capital reallocation

3.18

- (a) The Manager may at any time distribute an amount of capital of the Trust to the Members on terms that the amount distributed in respect of each Unit is to be applied by the Manager as agent for and on behalf of each Member by paying that amount at the direction of each Member to one or more Stapled Entities as an additional capital payment in respect of the relevant Attached Security of that Stapled Entity which is already issued and to which the Unit is Stapled (the “**Outgoing Capital Reallocation Amount**”), and if the Manager determines to pay a distribution as an Outgoing Capital Reallocation Amount, then:
- (i) the Outgoing Capital Reallocation Amount to be applied on behalf of a Member is to be as nearly as practicable in the same proportion as that which the number of Units the Member holds bears to the total number of Units on issue as at a date determined by the Manager;
 - (ii) each Member is deemed to have directed the Manager to pay the Outgoing Capital Reallocation Amount to the relevant Stapled Entity or Entities on the basis set out in this clause 3.18;
 - (iii) the Manager must pay the Outgoing Capital Reallocation Amount on the basis set out in this clause 3.18; and
 - (iv) each Member will be deemed to have irrevocably appointed the Manager as its attorney and agent to do all things the Manager considers necessary to give effect to the reallocation of capital under this clause 3.18(a).
- (b) If at any time, a Stapled Entity proposes to undertake a capital distribution (if it is a trust) or an equal reduction of capital (if it is a company) on terms that the whole or any part of the amount to be paid in respect of each Attached Security of which that Stapled Entity is the issuer by way of capital distribution or capital reduction (“**Incoming Capital Reallocation Amount**”) is to be paid to or for the benefit of the Trust, then:
- (i) each Member is deemed to have directed the Manager to accept the Incoming Capital Reallocation Amount;

- (ii) each Member is deemed to have appointed the Manager as their attorney and agent to do all things the Manager considers necessary to give effect to the receipt of the Incoming Capital Reallocation Amount by the Manager;
- (iii) if the Stapled Entity is a company which proposes to undertake an equal reduction of capital, then each Member irrevocably appoints and directs the Manager to do the following on the Member's behalf and in the Member's name:
 - A. consent in writing (which consent may be a single document or two or more documents executed by the Manager on behalf of all Members) to any variation of the rights attaching to any shares in the Stapled Entity held by the Member constituted by any modification of the constitution of the Stapled Entity that increases or provides for an increase in the liability of the Member in its capacity as a holder of shares to contribute to the share capital of the Stapled Entity, and that increase in that liability; and
 - B. agree in writing (which agreement may be a single document or two or more documents executed by the Manager on behalf of all Members) to the increase in the Member's liability to contribute to the share capital of the Stapled Entity in accordance with the constitution of the Stapled Entity,

and the Manager will receive the Incoming Capital Reallocation Amount as an additional capital payment in respect of the Unit to which the relevant Attached Security is Stapled. All amounts so received by the Manager are Assets.

Financial Instruments

3.19 Without limiting clause 13, but subject to the Corporations Act:

- (a) the Manager may, in addition to Units and Options, issue any other interests, rights or instruments relating to the Trust (including derivatives, debentures, convertible notes or other instruments of a debt, equity, quasi-debt, quasi-equity or hybrid nature) ("**Financial Instruments**"); and
- (b) Financial Instruments may be issued:
 - (i) at an application price (which may be nil) determined by the Manager if permissible under the Corporations Act or, if such determination may not be made, at an application price of \$100 per Financial Instrument; and

- (ii) on such other terms (including with preferred, deferred or other special rights, obligations or restrictions, with regard to distributions, voting, return of capital, payment of calls, redemption, conversion or otherwise, provided that while Stapling applies, the Financial Instrument must convert into one or more Stapled Securities, not Units alone) as the Manager determines, to the extent that the terms are not inconsistent with the provisions of this constitution which are required to be included in it by section 601GA of the Corporations Act.

3.20 Subject to the Corporations Act and except as provided in the terms of issue of the Financial Instrument:

- (a) a Financial Instrument will not confer any interest in or any rights to participate in the income or capital of the Trust, but otherwise the Holder of a Financial Instrument holds that Financial Instrument subject to the rights, restrictions and obligations attaching to that Financial Instrument; and
- (b) a Holder of a Financial Instrument who is not a Member is not entitled to any other rights of a Member.

4 Transfer, transmission and joint holders

Transfer of Units, Options and Financial Instruments

- 4.1 Units, Options and Financial Instruments may be transferred subject to their terms, this clause 4 and clause 29.

Transfer if not Officially Quoted

- 4.2 If Units, Options or Financial Instruments are not Officially Quoted transfers must be:

- (a) in a form approved by the Manager;
- (b) accompanied by any evidence the Manager reasonably requires to show the right of the transferor to make the transfer; and
- (c) if the Manager requires, be presented for Registration duly stamped.

If Units, Options or Financial Instruments the subject of a proposed transfer are not Officially Quoted, the Manager may refuse to record any transfer in the Register without giving any reason for the refusal.

To the maximum extent permitted by law, the Manager may (or may direct or procure the Registrar to) put in place, and require compliance with, reasonable processes and procedures in connection with determining the authenticity of an instrument of transfer, notwithstanding that this may prevent, delay or interfere with the registration of the relevant instrument of transfer.

Transfer if Officially Quoted

4.3 Subject to this constitution and the Listing Rules, if a Unit, Option or Financial Instrument is Officially Quoted, it is transferable:

- (a) as provided by the Operating Rules of a CS Facility if applicable; or
- (b) by any other method of transfer which is required or permitted by the Corporations Act and ASX.

If a duly completed instrument of transfer:

- (c) is used to transfer a Unit, Option or Financial Instrument in accordance with paragraph (b); and
- (d) is left for registration with the Registrar, duly stamped if required and accompanied by any information that the Manager properly requires to show the right of the transferor to make the transfer,

the Manager must, subject to the Manager's powers, register the transferee as the Member, Option Holder or Holder of a Financial Instrument as relevant.

When transfer is effective

4.4 Except as provided by any applicable Operating Rules of a CS Facility, a transfer is not effective until Registered.

Manager may request holding lock or refuse to register transfer

4.5 If the Units, Options or Financial Instruments are Officially Quoted, and if permitted to do so by the Listing Rules, the Manager may:

- (a) request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Units, Options or Financial Instruments from being registered on the CS Facility's sub register or registered on an issuer-sponsored sub register, as the case may be; or
- (b) refuse to Register a transfer of other Units, Options or Financial Instruments to which paragraph (a) does not apply.

Manager must request holding lock or refuse to register transfer

4.6 The Manager must:

- (a) request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Units, Options or Financial Instruments from being registered on the CS Facility's sub register or registered on an issuer-sponsored sub register, as the case may be; or
- (b) refuse to register any transfer of Units, Options or Financial Instruments to which paragraph (a) does not apply,

if the Corporations Act or Listing Rules require the Manager to do so or the transfer is in breach of clause 29.

Notice of holding locks and refusal to register transfer

4.7 If, in the exercise of its rights under clauses 4.5 or 4.6, the Manager requests the application of a holding lock to prevent a transfer of Units, Options or Financial Instruments or refuses to Register a transfer of Units, Options or Financial Instruments, it must, within two months after the date on which the transfer was lodged with it, give written notice of the request or refusal to:

- (a) the holder of the Units, Options or Financial Instruments;
- (b) the purported transferee; and
- (c) the broker lodging the transfer, if any.

Failure to give notice does not, however, invalidate the decision of the Manager.

Joint tenancy

4.8 Persons Registered jointly as a Member, or holder of an Option or Financial Instrument, hold as joint tenants and not as tenants in common unless the Manager otherwise agrees.

Transmission on death

4.9 If a holder of Units, Options or Financial Instruments, who does not hold them jointly, dies, the Manager will recognise only the personal representative of the holder as being entitled to the holder's interest in the Units, Options or Financial Instruments.

Information given by personal representative

4.10 If the personal representative gives the Manager the information it reasonably requires to establish the representative's entitlement to be registered as a holder of the Units, Options or Financial Instruments:

- (a) the personal representative may:
 - (i) by giving a written and signed notice to the Manager, elect to be registered as the holder of the Units, Options or Financial Instruments; or
 - (ii) by giving a completed transfer form to the Manager, transfer the Units, Options or Financial Instruments to another person; and
- (b) the personal representative is entitled, whether or not registered as the holder of the Units, Options or Financial Instruments, to the same rights as the previous holder.

On receiving an election under paragraph (a)(i), the Manager must register the personal representative as the holder of the Units, Options or Financial Instruments.

A transfer under paragraph (a)(ii) is subject to the clauses that apply to transfers generally.

Death of joint owner

- 4.11 If a holder of Units, Options or Financial Instruments, who holds them jointly, dies, the Manager will recognise only the survivor as being entitled to the holder's interest in the Units, Options or Financial Instruments. The estate of the holder is not released from any liability in respect of the Units, Options or Financial Instruments.

Transmission on bankruptcy

- 4.12 If a person entitled to Units, Options or Financial Instruments because of the bankruptcy of a holder of Units, Options or Financial Instruments gives the Manager the information it reasonably requires to establish the person's entitlement to be registered as the holder of the Units, Options or Financial Instruments, the person may:

- (a) by giving a written and signed notice to the Manager, elect to be registered as the holder of the Units, Options or Financial Instruments; or
- (b) by giving a completed transfer form to the Manager, transfer the Units, Options or Financial Instruments to another person.

On receiving an election under paragraph (a), the Manager must register the person as the holder of the Units, Options or Financial Instruments.

A transfer under paragraph (b) is subject to the clauses that apply to transfers generally.

This clause has effect subject to the Bankruptcy Act 1966 (Cwlth).

Transmission on mental incapacity

- 4.13 If a person entitled to Units, Options or Financial Instruments because of the mental incapacity of a holder of Units, Options or Financial Instruments gives the Manager the information it reasonably requires to establish the person's entitlement to be registered as the holder of the Units, Options or Financial Instruments:

- (a) the person may:
 - (i) by giving a written and signed notice to the Manager, elect to be registered as the holder of the Units, Options or Financial Instruments; or
 - (ii) by giving a completed transfer form to the Manager, transfer the Units, Options or Financial Instruments to another person; and
- (b) the person is entitled, whether or not registered as the holder of the Units, Options or Financial Instruments, to the same rights as the previous holder.

On receiving an election under paragraph (a)(i), the Manager must register the person as the holder of the Units, Options or Financial Instruments.

A transfer under paragraph (a)(ii) is subject to the clauses that apply to transfers generally.

5 Application Price for Units, Options and Financial Instruments

Application Price

- 5.1 Subject to clause 22.1 and the Stapling Provisions while they apply, the application price for a Unit must be calculated as follows:
- (a) in the case of a proportionate offer (including a rights issue), in accordance with clause 5.4;
 - (b) in the case of a placement of Units or issue of Units under a security purchase plan while Units are Officially Quoted, in accordance with clause 5.6;
 - (c) in the case of reinvestment of distributions, in accordance with clauses 5.7 or 5.8;
 - (d) in the case of Units issued pursuant to the exercise of an Option, at a price calculated in accordance with clause 5.9;
 - (e) subject to paragraphs (a) to (e), in all other cases while Units are Officially Quoted, the Market Price of Units applicable on the date as at which the application price is to be calculated; and
 - (f) while Units are not Officially Quoted, in accordance with the following formula:

$$\frac{\text{Net Asset Value} + \text{Transaction Costs}}{\text{number of Units in issue.}}$$

Time for calculation

- 5.2 Each of the variables in clause 5.1(f) must be determined as at the next Valuation Time after:
- (a) the Manager receives the application for Units; or
 - (b) the Manager receives the application money (even if paid or to be paid into the Applications Account) or the property against which Units are to be issued is vested in the Manager,

whichever happens later.

Rounding

- 5.3 Subject to the Listing Rules, the Application Price may be rounded as the Manager determines. The amount of the rounding must not be more than 1% of the Application Price. Any excess application money or property which results from rounding becomes an Asset.

Pro rata rights issues

- 5.4 Subject to the terms of any applicable ASIC Relief³ and the Listing Rules, the Manager may offer Units for subscription at a price determined by the Manager to those persons who were Members on a date determined by the Manager:

³ See ASIC Class Order [CO 13/655] notional section 601GAD(3) and Regulatory Guide 134.

- (a) provided that, subject to paragraph (b) of this clause 5.4, all Members are offered Units in proportion to the value of the Member's Units at the relevant date; but
- (b) the Manager may exclude a Member from the pro rata offer⁴ if to do so would not be in contravention of paragraph 601FC(1)(d) of the Corporations Act (as modified by ASIC Relief).⁵

Terms of pro rata issues

5.5

- (a) Any offer made under clause 5.4 must specify the period during which it may be accepted. It must be made to Members in proportion to the value of their respective Unit holdings on the date determined by the Manager under clause 5.4. The Manager may adjust any entitlement to accord with the Listing Rules and, in the case of fractions, the Manager must offer the next higher whole number of Units. Any Member may renounce their entitlement in favour of some other person, unless the issue is expressed to be non-renounceable.
- (b) Any Units offered for subscription under clause 5.4 which are not subscribed for within the period for acceptance set by the Manager may be offered for subscription by the Manager to any person. The application price payable in relation to such further offer must not be less than that at which the Units were originally offered to Members.
- (c) If an underwriter has underwritten any offer for subscription of Units under clause 5.4, the underwriter may take up any Units not subscribed for by Members.

Placements and security purchase plan while Listed

5.6 While Units are Officially Quoted and not suspended from quotation, the Manager may at any time issue Units by way of a placement or under a security purchase plan:

- (a) at the Market Price of Units on the day immediately before the date on which the Units are offered or, if there is no offer, the day immediately before the date on which the Units are issued; or
- (b) at a price and on terms determined by the Manager, provided that the Manager complies with the Listing Rules applicable to the issue and the conditions and restrictions of any applicable ASIC Relief.⁶

⁴ The clause assumes the Manager is able to comply with the conditions in Listing Rule 7.7.1.

⁵ See ASIC Class Order [CO 13/656] (Exemption – Equality of treatment).

⁶ See ASIC Class Orders [CO13/655] notional section 601GAD(2) and (4) and [CO 09/425].

Reinvestment while Listed

5.7

- (a) If reinvestment of distributions payable to a Member under clause 11.15 applies while the Units are Officially Quoted, subject to the terms of any applicable ASIC Relief⁷ and the Listing Rules, the Manager may issue Units on the basis that the application price for each additional Unit issued or transferred upon reinvestment is the price determined by the Manager. If the Manager has not determined the application price by the date at which Units are to be issued or transferred upon reinvestment, the price will be the Market Price of the Units.
- (b) If the amount to be reinvested in additional Units results in a fraction of a Unit, the number of Units to be issued will be rounded down to the nearest whole Unit and any remaining amount becomes an Asset.

Reinvestment while not Listed

- 5.8 While Units are not Officially Quoted, subject to the terms of any applicable ASIC Relief⁸, the Manager may issue Units on the basis that the application price payable for each additional Unit on reinvestment of distributions payable to a Member under clause 11.15 is the price determined by the Manager. If the Manager has not determined the application price by the date at which Units are to be issued or transferred upon reinvestment, the application price will be as calculated under clause 5.1(f) on the first Business Day after the end of the Distribution Period to which the distribution relates.

Options

- 5.9 Subject to the Corporations Act (including the conditions of any applicable ASIC Relief) and the Listing Rules, while the Trust is a Registered Scheme, the Manager may issue Options over Units:
- (a) at an application price (which may be nil) determined by the Manager if permissible under the Corporations Act or, if such determination may not be made, at a nil Application Price; and
 - (b) on the basis that the Application Price for a Unit to be issued on exercise of the Option is a price determined by the Manager:
 - (i) while the Units are Officially Quoted, in accordance with the terms of ASIC Relief⁹ for a rights issue or a placement of Units (as applicable), or under clause 5.1(e);
 - (ii) while the Units are not Officially quoted, in accordance with the terms of ASIC Relief for a rights issue (if applicable) and otherwise in accordance with clause 5.1(f).

⁷ See ASIC Class Order [CO 13/655].

⁸ See ASIC Class Order [CO 13/655] notional section 601GAD(5).

⁹ See ASIC Class Order [CO 13/655] notional section 601GAD (3)(b).

Financial Instruments

- 5.10 The application price of a Financial Instrument is the price determined in accordance with clause 3.19(b).

6 Application procedure for Units, Options and Financial Instruments**Application form**

- 6.1 An applicant for Units or Options must complete a form approved by the Manager if the Manager so requires. The form may be transmitted electronically if approved by the Manager.

Payment

- 6.2 Payment in respect of an application in a form acceptable to the Manager, or a transfer of property of a kind acceptable to the Manager and able to be vested in the Manager or any other person nominated by the Manager for that purpose, must:
- (a) accompany the application;
 - (b) be received by or made available to the Manager or the Custodian within such period before or after the Manager receives the application form as the Manager determines from time to time, or as the terms of issue of the relevant Unit or Option contemplate; or
 - (c) comprise a reinvestment of distribution in accordance with this constitution.

If the Manager accepts a transfer of property other than cash:

- (i) the value attributed to the property must be equivalent to a price at which the Manager could properly buy the property and, if the Manager requires, the applicant must provide a recent valuation of the property;¹⁰ and
- (ii) any additional costs associated with the valuation or transfer of the property beyond the amount of the Transaction Costs factored into the Application Price for the Units must be paid by the applicant either directly or by deducting the costs from the value of the property before the number of Units to be issued is calculated.

Manager may reject

- 6.3 Subject to the Listing Rules, the Manager may reject an application in whole or in part without giving any reason for the rejection.

Minimum amounts

- 6.4 The Manager may set a minimum application amount and a minimum holding for the Trust in respect of Units or Options and alter or waive those amounts at any time.

¹⁰ ASIC RG 134.42.

Issue date

- 6.5 Except in the case of a reinvestment of distribution in accordance with this constitution, Units or Options are taken to be issued when:
- (a) the Manager accepts the application; or
 - (b) the Manager receives the application money, or the property against which the Units or Options are to be issued is vested in the Manager,

whichever happens later.

Units which are issued on a reinvestment of distribution in accordance with this constitution are taken to be issued on the first Business Day after the Record Date for the relevant Distribution Period.

Uncleared funds

- 6.6 Units or Options issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the Manager within 1 month of receipt of the application.

Application procedure for Financial Instruments

- 6.7 The provisions of this clause 6 apply to applications for Financial Instruments with any necessary adaptations.

7 Redemption Price of Units, Options and Financial Instruments**Redemption Price**

- 7.1 Subject to clauses 8.11, 8.15 and 8.16, the redemption price for a Unit must be calculated as follows:

$$\frac{\text{Net Asset Value} - \text{Transaction Costs}}{\text{number of Units in issue}}$$

Time for calculation

- 7.2 Each of the variables in clause 7.1 must be determined:
- (a) while the Trust is a Registered Scheme and is Liquid, and at all times when the Trust is not a Registered Scheme, as at the next Valuation Time after the Manager receives the redemption request or determines that the Units are to be redeemed, whichever is the earlier; or
 - (b) while the Trust is a Registered Scheme and is not Liquid, as at the last Valuation Time before the withdrawal offer is made.

Redemption Price of Options

- 7.3 The redemption price of an Option is:
- (a) while the Options are quoted for trading on ASX, its Market Price, and

- (b) while the Options are not quoted for trading on ASX, the price determined in accordance with the principles in paragraph (c) of the definition of Market Value in clause 31.1.

Redemption price of Financial Instruments

- 7.4 Subject to the terms of the relevant Financial Instruments and the Corporations Act, a Financial Instrument may be redeemed at a redemption price determined by the Manager if permissible under the Corporations Act or, if such determination may not be made, at a redemption price of \$100 per Financial Instrument.

Rounding

- 7.5 Subject to the Listing Rules, the Redemption Price may be rounded as the Manager determines but the amount of the rounding must not be more than 1% of the Redemption Price. Any excess which results from rounding becomes an Asset of the Trust.

8 Redemption procedures

While Officially Quoted

- 8.1 While Units are Officially Quoted:
- (a) clauses 8.11 to 8.13 apply only to the extent provided for in clause 8.16;
- (b) clauses 8.10 and 8.14 to 8.18 apply; and
- (c) clauses 8.2 to 8.9 do not apply.

If the Stapling Provisions apply and Units comprise part of a Stapled Security that is Officially Quoted, clauses 8.15 and 8.16 apply with any necessary modifications.

Request for redemption

- 8.2 A Member may make a request for the redemption of some or all of their Units by giving the Manager notice in writing of the request specifying the number or value of Units to be redeemed and sufficient details to identify the Member, or in any other manner approved by the Manager, and the Manager must give effect to that request at the time and in the manner set out in this clause 8.
- 8.3 A Member may not withdraw a redemption request unless the Manager agrees.

When Trust is Liquid or not a Registered Scheme

- 8.4 Clauses 8.5 and 8.7 apply only:
- (a) while the Trust is Liquid; and
- (b) while the Trust is not Liquid but is not a Registered Scheme.

Manager must redeem

- 8.5 Subject to the Corporations Act and the Listing Rules, the Manager must:

- (a) redeem a Unit which is the subject of a valid redemption request, and ensure that the redemption is recorded in the Register, within 60 days of receipt of the request or such longer period as allowed by clause 8.6; and
- (b) pay the Redemption Price to the Member or former Member whose Units have been redeemed within 21 days of the redemption.

Delayed redemption

8.6

- (a) Subject to clause 8.6(b), if the Manager has taken all reasonable steps to realise sufficient Assets to satisfy a redemption request and is unable to do so due to one or more circumstances outside its control such as a restricted market for any Assets, the period allowed for redemption of the Units may be extended by the number of days during which such circumstances apply.
- (b) In relation to a withdrawal offer to which Part 5C.6 of the Corporations Act applies, the Manager must pay the redemption proceeds to the withdrawing Member or former Member within 21 days of the date on which the withdrawal offer close.¹¹

Minimum holding

8.7

If compliance with a redemption request would result in the Member holding Units with an aggregate Redemption Price which is less than the then current minimum holding amount, the Manager may treat the redemption request as relating to the balance of the Member's holding.

Increased minimum

8.8

If the Manager increases the minimum holding amount, the Manager may after giving 30 days' notice to a Member who holds Units with an aggregate Redemption Price less than the then current minimum holding amount redeem that Member's holding without the need for a redemption request.

No redemptions after termination

8.9

The Manager need not give effect to a redemption request received between the date the Trust is terminated and the date of winding up.

Payment from the Assets

8.10

The Manager is not obliged to pay any part of the Redemption Price out of its own funds.

While Trust is not Liquid

8.11

While the Trust is not Liquid, a Member may withdraw from the Trust in accordance with the terms of any current withdrawal offer made by the Manager in accordance with the provisions of the Corporations Act regulating offers of that kind. While the Trust is a Registered Scheme and is not Liquid, if there is no withdrawal offer currently open for

¹¹ Section 601KD.

acceptance by Members, a Member has no right to request withdrawal from the Trust.

Manager not obliged

- 8.12 The Manager is not at any time obliged to make a withdrawal offer. If it does, it may do so by sending a copy of the offer to all Members, or making a copy of the offer available by electronic means and giving notice to Members that it is available. The Manager may cancel a withdrawal offer by sending a copy of the notice of cancellation to all Members, or making a copy of such notice available by electronic means and giving notice to Members that it is available.

Sums owed to Manager

- 8.13 The Manager may deduct from the proceeds of redemption or money paid pursuant to a withdrawal offer (if applicable) any money due to it by the Member. While the Trust is Liquid or not a Registered Scheme, the Manager may redeem without a redemption request some or all of the Units held by a Member to satisfy any amount of money due to it by the Member.

When Units are redeemed

- 8.14 Units are taken to be redeemed at the time at which the Redemption Price is known and the redemption is recorded (or required under clause 8.5 to be recorded) in the Register, and

from that time until payment of the Redemption Price, the former holder of the redeemed Units ceases to be a Member in respect of those Units and is a creditor of the Trust in respect of the redemption proceeds.

On-market buy backs

- 8.15 While the Units are Officially Quoted the Manager may, subject to the Corporations Act and the Listing Rules, purchase Units on the ASX and cause the Units to be cancelled. No Redemption Price is payable on cancellation of the Units. Where the Units comprise part of Stapled Securities the Manager may only buy back and cancel the Units if the Attached Securities are also the subject of contemporaneous buy-back and cancellation. Where Units are purchased as part of a Stapled Security pursuant to a buy-back arrangement, the Manager must determine what proportion of the price paid for the Stapled Security is to be paid from the Assets of the Trust.

Withdrawal offers while Listed

- 8.16 While the Units are Officially Quoted the Manager may, subject to the Corporations Act and the Listing Rules, make a withdrawal offer under clause 8.11 in which case clauses 8.11 to 8.13 apply in relation to the withdrawal offer, and the Redemption Price is to be calculated in accordance with clause 7.2(b).

Redemption of Options

- 8.17 The provisions of this clause 8 apply to the redemption of Options, with any necessary adaptations. The Redemption Price of an Option is to be determined under clause 7.3.

Redemption of Financial Instruments

- 8.18 The provisions of this clause 8 apply to the redemption of Financial Instruments with any necessary adaptations. The Redemption Price of a Financial Instrument is to be determined under clause 7.4.

9 Valuation of Assets

Periodic valuations

- 9.1 The Manager may cause an Asset to be valued at any time and, while the Trust is a Registered Scheme, must do so as and when required by the Corporations Act.

Net Asset Value

- 9.2 The Manager may determine Net Asset Value at any time, including more than once on each day.

Valuation methods

- 9.3 The Manager may determine the value of an Asset, and determine valuation methods and policies for each category of Asset and change them from time to time. While the Trust is a Registered Scheme, the Manager's policy for the valuation of Assets must be based on the range of ordinary commercial practice for valuing the relevant type of asset and, where used to calculate the Application Price or Redemption Price of a Unit, the value must be reasonably current.¹² In the absence of any other determination by the Manager, the value of an Asset for the purpose of calculating Net Asset Value will be its Market Value.

Currency conversion

- 9.4 Where it is necessary for the purposes of a valuation to convert one currency to another, the conversion is to be made at a time and at the rate quoted by a bank, or an independent pricing provider (such as Reuters) nominated by the Manager. Where the value of an Asset denominated in foreign currency is converted for the purposes of calculating the Redemption Price of a Unit, the currency valuation applied must be consistent with the range of ordinary commercial practice for valuing currency.

10 Accounts

The financial reports of the Trust must be prepared, audited, lodged with ASIC and distributed to Members by the Manager as required by the Corporations Act and the Listing Rules.

11 Income and distributions to Members

Trust taxed as company

- 11.1 If the Trust is to be taxed as if it were a company, whether because it is or becomes a public trading trust for the purposes of Division 6C of Part III of the Tax Act or otherwise, the following provisions of this

¹² ASIC RG 134.110 provides guidance on the meaning of "reasonably current".

clause 11.1 apply and clauses 11.2 to 11.13 do not apply. If this clause 11.1 applies:

- (a) as soon as practicable after the end of the Financial Year the Manager must determine the income of the Trust in respect of the Financial Year, for each of taxation purposes and accounting purposes (which may be different amounts);
- (b) the Manager must provide for, and pay from the Assets of the Trust when appropriate, all taxation attributable to the income of the Trust;
- (c) the Members will not have a present entitlement at the end of a Distribution Period to the net income of the Trust;
- (d) the Manager may from time to time, including during the Financial Year, determine to pay distributions in respect of the Financial Year (each a “**Distributable Amount**”) to the Members on the Register on any date determined by the Manager (“**Books Closing Date**”);
- (e) in respect of a Distributable Amount being paid to Members under this clause 11.1:
 - (i) the Manager may take all necessary or desirable steps in relation to distributions, including the franking of the distributions; and
 - (ii) the Manager must take any steps or actions as may reasonably be required in order to comply with the requirements of the Tax Act in relation to trusts which are taxed as if they were companies; and
- (f) subject to any rights attaching to any Unit, a Member is entitled to a portion of the Distributable Amount, calculated as follows:

$$\frac{A \times C}{B}$$

where:

A = the aggregate of the number of Units held by the Member at the Books Closing Date;

B = the aggregate of the number of Units in issue at the Books Closing Date; and

C = the Distributable Amount.

Standing principles for determining Distributable Income

- 11.2 The Manager may determine standing principles for calculating and distributing the Distributable Income for any Financial Year or Distribution Period and may change the principles from time to time. Without limiting this clause 11.2, the standing principles may:

-
- (a) include amounts of capital (or amounts which would have been capital, disregarding any recharacterisation in accordance with clause 11.14) in Distributable Income;
 - (b) treat amounts of income (or amounts which would have been income, disregarding any recharacterisation in accordance with clause 11.14) as capital; and
 - (c) permit the application of income receipts, profits or gains of the Trust to meet expenses of a revenue or capital nature (disregarding any classification of those expenses in accordance with clause 11.14), in the determination of Distributable Income.

Determination of Distributable Income

11.3

- (a) The Manager must determine the Distributable Income for each Distribution Period and for each Financial Year. In the case of any Distribution Period which does not end at the end of a Financial Year this determination of the Distributable Income for that Distribution Period may be an estimate.
- (b) The Distributable Income is to be:
 - (i) if the Manager has determined standing principles under clause 11.2 which are applicable to the Financial Year or Distribution Period, the amount calculated by applying those principles in respect of the Financial Year or Distribution Period; and
 - (ii) if there are no standing principles which are applicable to the Financial Year or Distribution Period under clause 11.2, so much of the income of the Trust determined according to ordinary concepts as is available for that period for distribution after payment of, or the provision for, costs, expenses and outgoings in accordance with normal concepts and the terms of this constitution.
- (c) In the case of each Distribution Period which ends at the end of a Financial Year, the Distributable Income for that Distribution Period is to be the amount by which the Distributable Income for the Financial Year exceeds the aggregate of the Distributable Income or estimated Distributable Income in respect of any prior Distribution Periods during that Financial Year.
- (d) The Manager may treat as expenses of the Trust all coupon, interest, distribution or other periodic payments if any, required to be paid by the Manager to Holders of Financial Instruments in accordance with the terms of those Financial Instruments.

Accounting standards

- 11.4 The preparation of the accounts of the Trust in accordance with applicable accounting standards including international financial reporting standards to the extent required or relevant and generally accepted accounting principles is not to be regarded as a determination of the method for calculating the Distributable Income under clause 11.2.

Present entitlement

- 11.5 Subject to clauses 3.16, 11.13 and 11.21, each person Registered as a Member at the end of the last day of a Distribution Period is presently entitled to the Distributable Income of the Trust for that Distribution Period in the proportion that the number of Units held by the Member bears to the total number of Units then on issue.

Record Date

- 11.6 The Manager must determine the Record Date for the purpose of determining the persons who are entitled to be paid a distribution, which will be the last day of the Distribution Period unless otherwise determined by the Manager at any time prior to the payment of that distribution. The payment by the Manager in respect of any Units of an amount of the Distributable Income calculated in accordance with this constitution in respect of those Units to the Member registered in respect of those Units as at the Record Date is a good and sufficient discharge to the Manager in respect of any liability it may have to any person in respect of any such entitlement with respect to those Units.

Reserve for distribution

- 11.7 Upon a person or persons becoming entitled to a share or shares in the Distributable Income for a Distribution Period, the Manager must set aside assets with a total value which is, in the Manager's reasonable opinion, likely to be equal to, or to be a fair approximation of, the aggregate amount of those shares of Distributable Income for distribution. Those Assets may, if necessary, be converted to money by the Manager for the purposes of payment.

Over/under provisions

- 11.8 Following the distribution of those shares of the Distributable Income for a Distribution Period out of the Assets set aside under clause 11.7:
- (a) if there is an over provision, the excess remains part of the Trust; and
 - (b) if there is an under provision, the Manager may apply further Assets to meet the distribution.

Distribution of Distributable Income

- 11.9 Subject to any deductions made under clause 11.12, the Manager must distribute to each person the person's entitlement to Distributable Income for a Distribution Period. That distribution must occur within two months after the Distribution Calculation Date for the Distribution Period.

Separate accounts

- 11.10 The Manager may keep separate accounts of different categories or sources, or both, of receipts, profits, gains, deductions or credits for tax

purposes, and may allocate receipts, profits gains, deductions or credits from a particular category or source, or both, to particular Members. Where the Manager allocates receipts, profits, gains, deductions or credits from a particular category or source to a Member other than pro rata with all other Members, the Manager must notify the Member.

Position on transfer of Units

- 11.11 A person who is or was a Member as at a Record Date remains entitled to their share (if any) of the Distributable Income under clause 11.5 despite any transfer, transmission or redemption of Units by or in respect of the person, being Units which gave rise to the entitlement.

Deductions from Distributable Income

- 11.12 The Manager may deduct from any entitlement of a person to a share of Distributable Income any amount which the Manager is required or authorised to deduct under clause 12.8 and all amounts deducted must be applied in reimbursing the Trust for any corresponding amount paid, distributed or reimbursed out of the Trust or reimbursing the Manager for the payment of the Tax to the person or authority entitled to it.

Fractions

- 11.13 If the share of Distributable Income for a Member determined under clause 11.5 includes a fraction of a cent, the share is to be adjusted to the nearest cent below the amount calculated and under clause 11.5 and the fraction of the cent becomes an Asset.

Classification of items

- 11.14 Without limiting clause 11.3, the Manager may determine:
- (a) whether any receipt, profit gain, cost, expense or outgoing is to be treated, for the purposes of this constitution, as being on income or capital account and may, in making that determination, reclassify amounts which are income as capital, and amounts which are capital as income;
 - (b) the extent to which reserves or provisions need to be made; and
 - (c) whether any item of income should be recognised as it is received or as it accrues (but not yet received).

Availability of reinvestment

- 11.15 The Manager may decide whether to permit or require the Members to reinvest some or all of any distribution.

Terms of reinvestment

- 11.16 If the Manager decides to permit reinvestment, it must notify Members of the procedure and terms for reinvestment and any change in the procedure or terms.

Issue date

- 11.17 If reinvestment applies, the Manager is taken to have received and accepted an application to reinvest distributions and the Units are taken to be issued on the date determined in accordance with clause 6.5.

Liability

- 11.18 The Manager does not incur any liability nor is it obliged to account to anyone (including any Member or former Member) nor is it liable for any loss or damage as a result of the exercise of any discretion or power under this clause 11 or the AMIT Regime, or in respect of any determination of fact or law made as part of, or as a consequence of, the exercise of such discretion or power despite any error or miscalculation in any provision made for Tax.

Other distributions

- 11.19 The Manager may at any time distribute any amount of capital or income to Members pro rata according to the number of Units they hold as at a time decided by the Manager. The distribution may be in cash, by way of additional Units, or in the form of other Assets under clause 12.9.

Member may direct

- 11.20 The Manager may act on a direction given by a Member in such form as the Manager requires to pay to a third party nominated in the direction all or part of the Member's entitlement to distributions of income and capital under this clause 11 or under clause 23 on winding up.

Tax attributable to certain Members

- 11.21 Where any Tax attributable to the ownership of Units by certain Members is paid or to be paid from the Assets, the entitlement to Distributable Income of those Members may be adjusted by the Manager so that the entitlement to Distributable Income of all other Members is equivalent to the amount they would receive in the absence of such Taxes.

Periodic payments to Holders of Financial Instruments

- 11.22 The Manager must pay to Holders of Financial Instruments all coupon, interest, distribution or other periodic payments required to be paid to the Holders of Financial Instruments under the terms of those Financial Instruments with such payments to be made at the time and in the manner set out in the terms of those Financial Instruments.

Distributions paid in different currencies

- 11.23 The Manager may provide a facility whereby Members may receive their entitlement to the Distributable Income from time to time in such currency or currencies as they may request by notice to the Manager in writing and which the Manager may approve and in such event the Manager may arrange to convert a Member's entitlement to Distributable Income into the currency in which it is to be paid on a date being the date that the Distributable Income in respect of a Distribution Period is determined, the Distribution Calculation Date in respect of a Distribution Period, the date of payment of distribution entitlements in respect of a Distribution Period or such other date as the Manager may determine, and the Manager may maintain bank accounts in such currencies as may be appropriate for this purpose.

11A AMIT Regime

AMIT election

- 11A.1 The Manager may, under the AMIT Regime, make an election to determine the Trust to be an attribution managed investment trust for the purposes of the Tax Act.

Unders and overs

- 11A.2 The Manager may determine how any Unders and Overs that arise for the Trust are to be dealt with in accordance with the AMIT Regime. The Trustee is not liable to any Member or former Member with respect to how it addresses any Unders or Overs, provided that the Trustee addresses the Unders and Overs in accordance with the AMIT Regime, and irrespective of whether the choices made result in an attribution outcome for a Member or former Member that is different from the attribution outcome if the Manager had not made the choice, or had made the choice differently.

Attribution of taxable income to Member

- 11A.3 Following the end of a Financial Year which is an AMIT Income Year, the Manager must attribute the Determined Trust Components of each particular category or character for tax purposes to Members in accordance with the Tax Act.
- 11A.4 The Manager may establish principles (“**Attribution Principles**”) to determine the manner in which Determined Trust Components are attributed to Members.
- 11A.5 If there are no Attribution Principles for an AMIT Income Year the Manager must attribute to each Member in respect of an AMIT Income Year:
- (a) if distributions have been paid to Members in respect of the AMIT Income Year (whether of Distributable Income or other distributions pursuant to clause 11.19), so much of any Determined Trust Components of the Trust for the AMIT Income Year as the Manager reasonably determines based on the Member’s proportionate share of the total distributions paid in respect of the AMIT Income Year; and
 - (b) if no distributions have been paid to Members in respect of the AMIT Income Year, so much of any Determined Trust Components of the Trust for the AMIT Income Year as the Manager reasonably determines based on the Member’s proportionate share of the total units on issue as at the last day of the AMIT Income Year.

Member must notify, provide information and indemnify Manager in relation to objections

- 11A.6 If a Member or former Member objects to the basis of the attribution of the Determined Member Components for the purposes of the AMIT Regime, including, without limitation, by making a Member Objection Choice, the Member or former Member must:

- (a) provide the Manager with a copy of the objection notice, including the basis for objection, within the time the Member is required to do so under the Tax Act;
- (b) provide to the Manager any information the Manager reasonably requests in order to assess the Member's objection or proposed objection; and
- (c) indemnify the Manager against all costs and liabilities incurred by the Manager as a result of the objection or proposed objection.

Consequences if objection made

11A.7 If a Member or former Member makes an objection to the basis of attributing the Determined Trust Components of the Trust under the AMIT Regime, including, without limitation, by making a Member Objection Choice the Manager may:

- (a) take such action as it considers necessary, appropriate or reasonable to provide for the rights and interests of other Members to be protected, including in dealings with the Commissioner of Taxation; and
- (b) amend its attribution of the relevant Determined Trust Components to the Members, having regard to the principles in clauses 11A.3, 11A.4 and 11A.5, and issue amended AMMA Statements to Members.

Limitation of liability

11A.8 The Manager has no liability in respect of any act, matter or thing done or omitted to be done by a Member in relation to an objection to the basis of attribution of the Determined Trust Components of the Trust under the AMIT Regime, including, without limitation, by the Member making a Member Objection Choice.

Manager has a right to be indemnified for Tax payable

11A.9 Without limiting clause 19, each Member or former Member is required to indemnify the Manager for:

- (a) any Tax payable by the Manager as a result of the application of the AMIT Regime which the Manager reasonably determines relates to the Member or former Member; and
- (b) any other costs, expenses or liabilities incurred by the Manager as a result of being liable to such Tax, and claiming on the indemnity provided by the Member under this clause.

Methods through which indemnity may be satisfied

11A.10 The Manager may, if it is entitled to be indemnified by a Member or former Member under clause 11A.9, or under the AMIT Regime:

- (a) deduct (under clause 12.8) from any amounts owing to the particular Member, the aggregate of any amounts which the Manager is entitled to be

indemnified under clause 11A.9, or under the AMIT Regime; and

- (b) redeem (under clause 8.13) Units held by the Member to satisfy any amounts owed to the Manager under clause 11A.9.

12 Payments

Payment method

- 12.1 Money payable by the Manager to an Investor may be paid in any manner the Manager decides, including:
- (a) by cheque sent through the post directed to the address of the Investor as shown in the Register or, in the case of joint holders, to the address of the joint holder first named in the Register;
 - (b) by cheque sent through the post directed to such other address as the Investor or joint holder in writing directs; or
 - (c) by any method of direct credit or electronic transfer determined by the Manager to an account (of a type approved by the Manager) as provided in writing by the Investor or holders shown on the Register, or to such person or place directed by them.

Payment of any money under this clause is at the risk of the Investor to whom it is sent.

- 12.2 If the Manager determines under clause 12.1(c) that payments will be made only by direct credit or electronic transfer into an account (of a type approved by the Manager) nominated by the Investor or holder(s) shown on the Register, but no such account is nominated by the Investor or holder(s) or an electronic transfer into the nominated account is rejected or refunded, the Manager may credit the amount payable to an account of the Manager or its nominee held on behalf of the Trust to be held until:
- (a) the Investor nominates a valid account; or
 - (b) the amount is required to be dealt with in accordance with any law relating to unclaimed moneys.

- 12.3 An amount credited to an account under clauses 12.1(c) or 12.2 is to be treated as having been paid to the Investor at the time it is credited to that account. The Manager will not be a trustee of the money other than under this constitution and no interest will accrue on that amount.

Cheques

- 12.4 The Manager may cancel any cheque which is not presented within 6 months from its date of issue. Where a cheque which is cancelled was drawn in favour of an Investor, the Manager may reinvest the money in Units (and if relevant Attached Securities) in the name of that Investor at the application price for the Units and Attached Securities prevailing at the time the cheque is cancelled (if the Investor is a Member) or deal

with the money in accordance with any relevant legislation dealing with unclaimed moneys.

Electronic transfers

- 12.5 Without limitation to clauses 12.1 and 12.2, if the Manager attempts to make a payment to an Investor by electronic transfer of funds or any other means and the transfer is unsuccessful, the Manager may send that money by cheque to the Investor to the last known address of that Investor.

Rounding

- 12.6 Only whole cents are to be paid, and any remaining fraction of a cent becomes an Asset.

Joint Investors

- 12.7 A payment to any one of joint Investors will discharge the obligations of the Manager in respect of the payment.

Deduction of Tax and amounts owing

- 12.8 The Manager may deduct from any amount to be paid to or received from a person who is or has been an Investor:

- (a) any amount of Tax (or an estimate of it); or
- (b) any other amount owed by the Investor to the Manager or any other person,

which the Manager is required or authorised to deduct in respect of that payment or receipt by law or by this constitution or which the Manager considers should be deducted.

Transfer of Assets

- 12.9 The Manager may transfer Assets to a Member rather than pay cash in satisfaction of all or part of a redemption request, pursuant to a withdrawal offer or in payment of a distribution of income or capital, or on winding up of the Trust, either:

- (a) with the consent of the Member; or
- (b) if the Manager reasonably considers the transfer of Assets rather than cash is in the best interests of Members, without the consent of the Member.

The Assets transferred, together with any cash paid, must be of equal value to the total amount due to the Member pursuant to the redemption, withdrawal offer or distribution (based on a valuation which is consistent with the range of ordinary commercial practice for valuation of assets of that type and is reasonably current, having regard to the type of asset involved and prevailing market conditions¹³). If paragraph (a) of this clause 12.9 applies, the costs involved in transfer of these Assets must be paid by the Member or deducted from the amount due to the Member.

¹³ ASIC RG 134.178.

For the purposes of this clause 12.9, the Manager is appointed as agent and attorney of each Member with power to agree on the Member's behalf to the transfer of Assets to the Member and to execute all documents and do all things which it considers are necessary, desirable or reasonably incidental to give effect to the transfer of Assets, including agreeing to become a member and / or holder of securities of a company or other body corporate or trust.

13 Powers of the Manager

General powers

- 13.1 Subject to this constitution, the Manager has all the legal capacity and powers both inside and outside Australia in respect of the Trust that it is possible under the law to confer on a trustee and as though it were the absolute owner of the Assets and acting in its personal capacity.

Contracting and borrowing powers

- 13.2 The Manager in its capacity as trustee of the Trust has power to enter into any form of contract and to incur all types of obligations and liabilities including:
- (a) to borrow or raise money (whether or not on a secured basis and in any manner whatsoever including all forms of financial accommodation and debt facilities);
 - (b) to grant all types of security (whether for the obligations of the Manager or another person);
 - (c) to grant guarantees and indemnities; and
 - (d) to enter into derivatives.

Investment and lending powers

- 13.3 The Manager may in its capacity as trustee of the Trust invest in, dispose of or otherwise deal with property and rights in its absolute discretion. This includes the power to:

 - (b) lend money and on-lend or provide financial accommodation to any person.

Power of delegation

- 13.4 The Manager may authorise any person to act as its agent or delegate (in the case of a joint appointment, jointly and severally) to hold title to any Asset, perform any act or exercise any discretion within the Manager's power, including the power to appoint in turn its own agent or delegate.
- 13.5 The Manager may include in the authorisation provisions to protect and assist those dealing with the agent or delegate, and to limit the

Manager's liability as against persons other than a Member (in their capacity as a Member), as the Manager thinks fit.

13.6 The agent or delegate may be an associate of the Manager.

Exercise of discretion

13.7 Subject to clause 18.4, the Manager may in its absolute discretion decide how and when to exercise its powers.

Underwriting

13.8 Subject to the Corporations Act, the Manager may enter into an agreement with a person (including an associate of the Manager) to underwrite the subscription or purchase of Units, Options or Financial Instruments or to manage the offer of Units, Options or Financial Instruments on such terms as the Manager determines (including that the underwriter may take up any of those things not otherwise subscribed for or sold). Unless the agreement expressly states otherwise, the underwriter or offer manager will not be an agent or delegate of the Manager.

Voting

13.9 Subject to the Corporations Act, the Manager may exercise all voting rights conferred by the Assets at its absolute discretion.

Credit rating

13.10 The Manager may arrange to have the Trust given a credit rating by a Ratings Agency and provide undertakings to the Ratings Agency from time to time in order to maintain any credit rating assigned to the Trust.

No limitation

13.11 Nothing in this clause 13 limits anything else in this clause 13.

14 Retirement of Manager

While a Registered Scheme

14.1 While the Trust is a Registered Scheme, the Manager:

- (a) may retire as the responsible entity of the Trust as permitted by law; and
- (b) must retire as the responsible entity of the Trust when required by law.

Subject to law, the Manager may appoint in writing another person to be the Manager.

While not a Registered Scheme

14.2 While the Trust is not a Registered Scheme, the Manager:

- (a) may retire on 3 months' notice to Members (or such shorter period as they agree); and
- (b) must retire as the trustee of the Trust if required by law or by all Members.

On retirement, the Manager may appoint in writing another person to be the Manager.

New Manager

- 14.3 Any proposed replacement Manager must execute a deed by which it covenants to be bound by this constitution as if it had originally been a party to it.

Release

- 14.4 When it retires or is removed, the Manager is released from all obligations in relation to the Trust arising after the time it retires or is removed.

15 Notices to Investors

Document includes notice

- 15.1 In this clause 15, a reference to a document includes a notice and a notification by electronic means.

Form of document

- 15.2 Unless expressly stated otherwise in this constitution, all notices, certificates, statements, demands, appointments, directions and other documents referred to in this constitution must be in writing.

 - (b) by sending it by post to the address for the Investor in the Register or an alternative address nominated by the Investor;
 - (c) by sending it to an electronic address nominated by the Investor; or

Members request for meeting - not Registered Scheme

- 17.2 While the Trust is not a Registered Scheme, the Manager must convene a meeting of Members to consider a proposed resolution if the Manager receives a requisition in writing to convene a meeting to consider the resolution signed by Members with at least 25% of the votes that may be cast on the resolution.

17.4 While the Trust is not a Registered Scheme:

- (a) a meeting of Members must be convened by notice sent to every Member entitled to attend and vote at the meeting;
- (b) the notice of meeting need not set out the terms of any resolution to be proposed, but must state the general nature of the business to be transacted at the meeting. - (b) the date for holding the meeting is postponed to a date later than the date specified in the instrument of proxy, power of attorney or appointment of Representative,

then, by force of this clause, that later date is substituted for and applies to the exclusion of the date specified in the instrument of proxy, power of attorney or appointment of a Representative unless the Member appointing the proxy, attorney or Representative gives to the Manager at its registered office notice in writing to the contrary not less than 48 hours (or any shorter period as the Manager may permit or as specified by the Corporations Act) before the time to which the holding of the meeting has been postponed.

- (c) If the Manager receives an instrument or form appointing a proxy, attorney or representative from a Member and the Manager considers that it is not properly executed or authenticated, or is incomplete or unclear:
 - (i) if the name, or the name of the office, of the proxy, attorney or representative, is not filled in or is unclear, then the proxy, attorney or representative of that Member is the person specified by the Manager in the

- instrument or form of proxy or if no person is specified, the chairperson of that meeting;
- (ii) if the instrument or form has not been duly signed or authenticated, the Manager may return the instrument or form to the appointing Member and request the Member sign or authenticate the instrument or form and return it to the Manager within a period determined by the Manager (which may be later than the time specified in the notice of meeting for the receipt of proxy appointments); and

- (a) where a Member has appointed more than one proxy, attorney or Representative, only one is to be counted; and
 - (b) where an individual is attending both as a Member and as a proxy, attorney or Representative, that individual is to be counted only once.

Absence of chairperson at Members' meeting

- 17.15
- (a) Subject to the Corporations Act, the Manager may appoint a person to chair a meeting of Members.
 - (b) If a Members' meeting is held and the chairperson is not present within 15 minutes after the time appointed for the holding of the meeting or is unable or unwilling to act, the following may preside as chairperson of the meeting (in order of precedence):

Neither the chairperson nor the minutes need state and it is not necessary to prove the number or proportion of the votes recorded in favour of or against the resolution.

Multiple venues

17.18

- (a) Subject to this clause 17, the Corporations Act and the Listing Rules, the Manager may determine the time and place at which a meeting of Members will be convened and the manner in which the meeting will be conducted, including a meeting of Members at two or more venues using any technology that gives the Members as a whole a reasonable opportunity to participate.
- (b) If a separate meeting place is linked to the main place of a Members' meeting by an instantaneous audio visual communication device which, by itself or in conjunction with other arrangements:
- (i) gives the general body of Members in the separate meeting place a reasonable opportunity to participate in proceedings in the main place; and
 - (ii) enables the Members in the separate meeting place to vote on a poll,

a Member present at the separate meeting place is taken to be present at the Members' meeting and entitled to exercise all rights as if they were present at the main place.

Questions decided by majority

17.21 Subject to the requirements of the Corporations Act, a resolution is taken to be carried if a simple majority of the votes cast on the resolution are in favour of it.

When a poll is effectively demanded

17.22

- (a) At a Members' meeting, a poll may be demanded by Members in accordance with the Corporations Act (and not otherwise) or by the chairperson.
- (b) The poll may be demanded:
 - (i) before a vote is taken;
 - (ii) before the voting results on a show of hands are declared; or
 - (iii) immediately after the voting results on a show of hands are declared.

17.23

- (a) If a poll is properly demanded, it must be taken in the manner and at the date and time directed by the chairperson and the result of the poll is the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairperson or on a question of adjournment must be taken immediately.
- (c) A demand for a poll may be withdrawn.
- (d) A demand for a poll does not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.

- (e) The results of the poll may be announced in the manner and at the time (whether during the relevant meeting or afterwards) that the chairperson considers appropriate.

- 17.28 While the Trust is not a Registered Scheme:
- (a) voting is by a show of hands, unless a poll is duly demanded or the Resolution proposed is required by this constitution or by law to be decided by a percentage of all Units; and
 - (b) subject to the rights, obligations and restrictions attaching to any particular Units, each Member which is present in person or by proxy has:
 - (i) on a show of hands, one vote; and

In the case of joint Members, only the first named in the Register may vote unless the Manager otherwise agrees.

- 17.29 While the Trust is a Registered Scheme, the provisions of the Corporations Act governing voting for meetings of members of Registered Schemes apply to the Trust.

Direct voting

- 17.30 The Manager may determine that at a meeting of Members, a Member who is entitled to attend and vote on a Resolution at that meeting is entitled to a direct vote in respect of that Resolution. A “direct vote” includes a vote delivered to the Manager by post or other electronic means approved by the Manager. The Manager may prescribe rules to govern direct voting including specifications as to the form, method and timing of giving the direct vote in order for the vote to be valid, and the treatment of direct votes.
- 17.31 A direct vote on a Resolution at a meeting in respect of a Unit cast in accordance with clause 17.30 is of no effect and will be disregarded:

If it does so, this clause 17 applies as if referred to Members of a class, or to Option Holders or Option Holders of a class, or to Holders of Financial Instruments or a class of Holders of Financial Instruments (as relevant) rather than Members or to a "Members' meeting", and with any other necessary adaptations, except that Option Holders may exercise any right they may have under the Corporations Act to attend a meeting and vote on a Resolution of Members, but otherwise may not vote on a Resolution of Members or attend a meeting of Members. If and to the extent a Holder of Financial Instruments is entitled under the Corporations Act to vote at a meeting of Members, any resolution passed at that meeting will be binding on them.

Despite any other provision of this constitution, the Manager must act in accordance with the directions that are not inconsistent with the Manager's duties under this constitution, the terms of its Licence and at law given from time to time by the sole Member (if any) or jointly by all Members so as to allow the Members acting together to have day to day control over the operation of the Trust. In this clause 21, “expenses” may include amounts paid by the Manager to related bodies corporate.

GST

- 21.5 The fees payable out of the Assets to the Manager under this constitution do not include any amount referable to GST. If the Manager is or becomes liable to pay GST in respect of any supply under or in connection with this constitution (including the supply of any goods, services, rights, benefits or things), then, in addition to any fee or other amount or consideration payable to the Manager in respect of the supply, the Manager is entitled to be paid an additional amount

on account of GST, such amount to be calculated by multiplying the fee, amount or consideration for the part of the supply which is a taxable supply for GST purposes by the prevailing rate of GST, and the Manager shall be entitled to be reimbursed or indemnified for such amount of GST out of the Assets.

Input tax credits

- 21.6 In the event that the Manager is not entitled to an input tax credit in respect of the amount of any GST charged or recovered from the Manager by any person, or payable by the Manager by way of reimbursement of GST referable directly or indirectly to any supply made under or in connection with this Constitution, the Manager is entitled to recover out of the Assets by way of reimbursement an additional amount equivalent to the amount of such input tax.
- 21.7 If as a result of the imposition or introduction of GST and any reduction or abolition of any other Tax in conjunction with the imposition or introduction of GST, the Manager determines that:
- (a) there is any direct or indirect increase in the cost to the Manager of performing its duties under this constitution (including any increase in the amount charged by any supplier to the Manager of goods, services, rights benefits or any other thing); or
 - (b) there is any direct or indirect reduction in any amount received or receivable by the Manager or in the effective financial return to the Manager in connection with proper performance of the Manager's duties under this constitution (including the return on the Manager's overall capital which could have been achieved but for the imposition or introduction of GST);

and such increased cost or reduction is not compensated for by any other provision of this constitution, then the Manager may recover from the Assets such amount as, in its sole opinion but acting reasonably, will compensate the Manager for such increased cost or reduction.

Amendment of fee provisions is contemplated

- 21.8 Without limiting clause 24, the Manager has power to amend any part of this clause 21 with the effect of increasing or decreasing any amount of fees due to it, or introducing new types of fees, or to otherwise amend, delete or replace any of the provisions of this clause 21, if:
- (a) while the Trust is a Registered Scheme, the Manager complies with any applicable requirements of the Corporations Act relating to:
 - (i) amending the constitution of a Registered Scheme, and
 - (ii) increasing fees or charges in relation to a Registered Scheme, or
 - (b) while the Trust is not a Registered Scheme, the Manager obtains the written consent of the sole Member or, if there is

more than one Member, gives at least 5 Business Days' prior notice to Members of the amendment.

22 Duration of the Trust

Initial settlement

- 22.1 The Trust commences when the Manager's nominee subscribes \$100 for Units in the Trust. The Manager's nominee must be issued with 100 Units in return for that payment.

Termination

- 22.2 The Trust terminates on the earliest of:
- (a) while the Trust is a Registered Scheme:
 - (i) a date which the Members determine by extraordinary resolution (as defined in the Corporations Act); or
 - (ii) a date determined by the Manager and advised to Members by notice in writing not less than 60 days before the proposed date of termination;
 - (b) while the Trust is not a Registered Scheme, the date specified by the Manager as the date of termination of the Trust in a notice given to Members; and
 - (c) the date on which the Trust terminates in accordance with another provision of this constitution or by law.

Restriction on issue and redemption of Units

- 22.3 Despite any other provisions in this constitution, no Units may be issued or redeemed after the 80th anniversary of the day preceding the day the Trust commenced, unless that issue or redemption would not offend the rule against perpetuities, or any other rule of law or equity.

23 Procedure on termination

Realisation of Assets and payment of expenses

- 23.1 Following termination of the Trust, the Manager must:
- (a) realise the Assets, except to the extent that it determines to distribute Assets to Members in accordance with clause 12.9 pro rata according to their holding of Units as part of the winding up of the Trust; and
 - (b) make payments (or set aside estimated amounts) from the Assets to pay the Trust's expenses and liabilities, and the costs or anticipated costs of winding up the Trust. These amounts will reduce the proceeds of winding up that a Member may otherwise receive, but a Member is not required to pay any of these amounts from their own funds.

To the extent that realisation of Assets is required, it must be completed in 180 days if practicable and in any event as soon as

possible after that. The Manager may, however, postpone realisation of the Assets or any Asset if the Manager reasonably considers it would be in the best interests of Members to do so, and the Manager is not responsible for any consequent loss or damage attributable to that postponement.

Auditor and liquidator

23.2

- (a) If, at the time it is to be wound up, the Trust is a Registered Scheme, the Manager must arrange for an independent audit of the final accounts of the Trust by a registered company auditor.
- (b) If the Trust is to be wound up because its Liabilities exceed its Assets or there is expected to be insufficient cash for the Trustee to meet Liabilities from the Assets as and when they fall due, the Trustee may appoint an appropriately qualified liquidator to carry out the winding up, and delegate to the liquidator the powers of the Trustee under this constitution as necessary to facilitate the winding up.

Distribution following termination

- 23.3 The net proceeds of realisation, after making allowance for all Liabilities of the Trust (actual and anticipated) including entitlements of Members to Distributable Income, amounts owing to Holders of Financial Instruments and meeting the expenses (including anticipated expenses) of the termination, must be distributed pro rata to Members according to the number of Units they hold. The Manager may distribute proceeds of realisation in instalments.

If any Option Holders have an entitlement to participate in the net proceeds of realisation this calculation must be adjusted in a manner determined by the Manager to take that entitlement into account. The entitlement, if any, of an Option Holder to any distribution of the net proceeds of realisation will be determined by the terms of issue of that Option.

Provisions continue to apply

- 23.4 The provisions of this constitution continue to apply from the date of termination until the date of final distribution under clause 23.3, but during that period the Manager may not accept any applications for Units from a person who is not an existing Member, and the Manager is under no obligation to consider or process redemption requests received after the date of termination.

24 Amendments to this constitution

Manager may amend

- 24.1 Subject to the Corporations Act, while the Trust is a Registered Scheme, this constitution may be amended:
- (a) by Resolution of Members; or
 - (b) by deed executed by the Manager.

If the constitution is amended by Resolution of Members, the Manager may give effect to the amendments by executing a supplemental deed.

While not a Registered Scheme

- 24.2 The Manager may amend this constitution by deed while clause 24.1 does not apply.

25 Stapling Provisions and Reorganisation Proposals

Stapling

25.1

- (a) Stapling of Units to the other components of Stapled Securities has already commenced and accordingly the Stapling Provisions apply. The Manager has the further powers in relation to Stapling and Unstapling set out in this clause 25 and Schedule 1.
- (b) The Manager may determine in respect of any future Stapling:
 - (i) that the Stapling Provisions will take effect in accordance with clause 25.2; and
 - (ii) the Stapling Commencement Time.

Stapling Provisions

25.2 Subject to clause 25.1(a), if the Manager determines, the Stapling Provisions take effect on and from the Stapling Commencement Time until they cease to apply in accordance with this constitution.

While the Stapling Provisions apply:

- (a) subject to clause 26.5, this constitution is to be read subject to the Stapling Provisions except to the extent that this would result in a breach of the Corporations Act, the Listing Rules or any other law; and
- (b) provisions of this constitution, which by their context apply only while Units are not Stapled, do not apply while Units are part of a Stapled Security.

Power to enter into Reorganisation Proposals

25.3 Without limiting clause 13 the Manager may enter into:

- (a) without reference to or approval from Members:
 - (i) a Consolidation or Division Proposal;
 - (ii) a Stapling Proposal; or
- (b) a Realisation Transaction, a Top Hat Proposal, an Exchange Proposal and any other Reorganisation Proposal, which is in each case approved by Ordinary Resolution.

It is a term of issue of each Unit, that the Unit may be subject to a Reorganisation Proposal as provided in this clause 25.3. Each Unit

Holder by subscribing for or taking a transfer of, or otherwise acquiring a Unit is taken to have consented to these Reorganisation Proposals.

Power to give effect to the Stapling Provisions and Reorganisation Proposals

25.4

- (a) In order to effect a Stapling of securities to the Units as contemplated by clause 25.1(a) and Schedule 1, the Manager has power to do all things which it considers necessary, desirable or reasonably incidental to give effect to the Stapling and the Stapling Provisions.
- (b) If the Manager determines to enter into a Realisation Transaction, Consolidation or Division Proposal, a Stapling Proposal, a Top Hat Proposal or an Exchange Proposal in accordance with clause 25.3, then the Manager has power to do all things which it considers necessary, desirable or reasonably incidental to give effect to the relevant proposal.
- (c) If a Reorganisation Proposal is approved by an Ordinary Resolution in accordance with clause 25.3(b), then the Manager has power to do all things which it considers necessary, desirable or reasonably incidental to give effect to the Reorganisation Proposal.

Specific Powers

25.5 Without limiting clause 25.4, to give effect to a Stapling and the Stapling Provisions, a Realisation Transaction, Consolidation or Division Proposal, Stapling Proposal, a Top Hat Proposal or an Exchange Proposal, or a Reorganisation Proposal which has been approved by an Ordinary Resolution in accordance with clause 25.3(b), the Manager has power to:

- (a) make distributions and other payments out of the Assets and (subject to the Corporations Act and the Listing Rules) to redeem Units, and to apply the payment or redemption proceeds on behalf of Members;
- (b) apply for or purchase fully paid securities on behalf of the Members and to consent on behalf of Members to become a member of a company or other body, and be bound by the constitution of that company or body;
- (c) issue Units;
- (d) transfer Assets;
- (e) if Units or other securities are to be transferred as part of a Reorganisation Proposal, to give on behalf of Members a warranty as to good and unencumbered title the Units or securities to be transferred, and other warranties customary in a transfer of securities; and

- (f) execute all documents and do all things which it considers are necessary, desirable or reasonably incidental to give effect to the relevant proposal.

Appointment of Manager as agent and attorney

25.6 Without limiting clause 25.5, to give effect to a Stapling and the Stapling Provisions, a Realisation Transaction, Consolidation or Division Proposal, a Stapling Proposal, a Top Hat Proposal or an Exchange Proposal, or a Reorganisation Proposal which has been approved by an Ordinary Resolution in accordance with clause 25.3(b), the Manager is irrevocably appointed the agent and attorney of each Member to:

- (a) apply any proceeds referred to in clause 25.5(a) on behalf of the Member;
- (b) execute any withdrawal request on behalf of the Member, or any application for, or transfer of, any securities in favour of the Member;
- (c) execute a transfer of Assets to a Member; and
- (d) execute all documents and do all things (including giving all consents and warranties) which the Manager reasonably considers are necessary or desirable to give effect to the Stapling or relevant transaction or proposal.

The Manager is authorised to execute these documents and to do these things without needing further authority or approval from Members.

Liability of Manager

25.7 The Manager has no liability of any nature whatsoever beyond the Assets to Members arising, directly or indirectly, from the Manager doing or refraining from doing any act (including the execution of a document) pursuant to or in connection with the implementation of a Stapling or any Reorganisation Proposal.

Paramourcy of provision

25.8 The provisions of this clause 25 prevail over other provisions of this constitution in the case of any inconsistency to the extent provided in clause 26.

26 Regulatory provisions and paramountcy

Listing Rules

- 26.1 While the Trust is included in the Official List:
- (a) despite anything contained in this constitution, if the Listing Rules prohibit an act being done, the act will not be done;
 - (b) nothing contained in this constitution prevents an act being done that the Listing Rules require to be done;

- (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
- (d) if the Listing Rules require this constitution to contain a provision and it does not contain such a provision, this constitution is taken to contain that provision;
- (e) if the Listing Rules require this constitution not to contain a provision and it contains the provision, this constitution is taken not to contain that provision; and
- (f) if any provision of this constitution is or becomes inconsistent with the Listing Rules, this constitution is taken not to contain that provision to the extent of the inconsistency.

Corporations Act and ASIC Relief

26.2

- (a) If the Corporations Act requires that this constitution contain certain provisions, or if any ASIC Relief on which the Manager has determined it wishes to rely or which is expressly applicable to the Trust and the Manager requires provisions to a certain effect to be contained in this constitution in order for the ASIC Relief to apply (“**Required Provisions**”); or
- (b) if any part of this constitution (a “**Required Part**”) is included to comply with the requirements of the Corporations Act, Listing Rules, ASIC or ASX (“**Regulatory Requirement**”) and that Regulatory Requirement ceases or changes,

then, to the extent the Corporations Act allows, this constitution is taken to be amended so that the Required Provisions are included as separate provisions, or the Required Part is deleted or amended to reflect the amended Regulatory Requirement. The Required Provisions prevail over any other provisions of this constitution to the extent of any inconsistency.

The Members:

- (i) authorise the Manager to make the amendments referred to in this clause 26.2 in a deed and, if required, to lodge it with ASIC; and
- (ii) agree that, subject to the Corporations Act, their rights under this constitution do not include or extend to a right not to have this constitution amended to comply with a Regulatory Requirement or to include Required Provisions.

Application of Corporations Act and Listing Rules

26.3 In this constitution:

- (a) except as otherwise provided in a particular clause or by law, a requirement of the Corporations Act only applies while the Trust is a Registered Scheme; and
- (b) a requirement of the Listing Rules only applies while the Units are Officially Quoted.

ASIC Class Orders

26.4 In accordance with ASIC Instrument 2017/125 or its equivalent or any similar ASIC Relief from subsections 601GC(1) and (2) of the Corporations Act, and for so long as they apply to the Trust, a change in the text of this constitution because of the operation of clause 26.2 that is covered by such instrument is not a modification of, or the repeal and replacement of, the constitution for the purposes of subsections 601GC(1) and (2) of the Corporations Act. Changes in the text of the constitution to which this clause 26.4 applies are made pursuant to the power in clause 24 but in respect of such changes the requirements of clause 24 are to be read subject to this clause 26.4.

Paramountcy of provisions

26.5 Subject to clause 31.6 and the Corporations Act and the Listing Rules, the following provisions prevail over other provisions of this constitution in the following order to the extent of any inconsistency:

- (a) first, clauses 26.1 and 26.2 and provisions taken to be included or amended under them;
- (b) then, the Stapling Provisions set out in Schedule 1 and the provisions in clause 25 regarding Stapling and the Stapling Provisions; and
- (c) then, the Reorganisation Proposals set out in clauses 25.3 to 25.7.

Paragraphs (b), (c) and (d) only prevail where this would not result in a breach of the Corporations Act, the Listing Rules or any other law.

27 Compliance committee

While the Trust is a Registered Scheme, if any Compliance Committee Member incurs a liability in that capacity in good faith, the Compliance Committee Member is entitled to be indemnified out of the Assets in respect of that liability to the extent permitted by the Corporations Act.

28 Complaints

While the Trust is a Registered Scheme, if an Investor submits to the Manager a Complaint in relation to the Trust, the Manager:

-
- (a) must, if the Investor is a Retail Client, comply with the requirements of section 912A(2) of the Corporations Act applicable to the Complaint;¹⁵ and
 - (b) in respect of a Complaint from an Investor who is not a Retail Client:¹⁶
 - (i) must acknowledge receipt of the Complaint as soon as possible and in any event within 14 days from receipt;
 - (ii) must ensure that the Complaint receives proper consideration resulting in a determination by a person or body designated by the Manager as appropriate to handle Complaints;
 - (iii) where the Complaint relates to an error which is capable of being corrected without affecting the rights of third parties, act in good faith to deal with the Complaint by endeavouring to correct the error;
 - (iv) may give any of the following remedies to the complainant:
 - (A) information and explanation regarding the circumstances giving rise to the Complaint;
 - (B) an apology; or
 - (C) compensation for loss incurred by the Investor as a direct result of any breach; and
 - (v) must communicate to the complainant as soon as practicable and in any event not more than 45 days after receipt by the Manager of the Complaint:
 - (A) the determination in relation to the Complaint;
 - (B) any remedies available to the Investor; and
 - (C) information regarding any further avenue for Complaint.
 - (c) For the purposes of this clause 28, a reference to an Investor includes any person who has an “interest” in the Trust as that term is defined in section 9 of the Corporations Act.

29 Restricted Securities

- 29.1 This clause 29 applies while the Units or Stapled Securities are Officially Quoted.
- 29.2 In this clause 29:

¹⁵ See ASIC RG 134.135.

¹⁶ The Manager may treat retail and wholesale clients differently for this purpose – see RG 134.145 and [CO/656].

-
- (a) **dispose and disposed** of have the meaning given in the Listing Rules;
 - (b) **Escrow Period** means, in relation to Restricted Securities, the escrow period applicable to those Restricted Securities under the Listing Rules;
 - (c) **Holding Lock** has the meaning given in the Listing Rules;
 - (d) **Restriction Agreement** means a restriction agreement or deed in a form set out in the Listing Rules or otherwise approved by ASX; and
 - (e) **Restricted Securities** has the meaning given in the Listing Rules.
- 29.3 If the Listing Rules require, a holder of Restricted Securities must not dispose of, or agree to dispose of, Restricted Securities during the Escrow Period applicable to those securities, except as permitted by the Listing Rules or ASX. The Manager must not, and will refuse to, acknowledge any disposal (including by registering a transfer) of Restricted Securities during the Escrow Period except as permitted by the Listing Rules or ASX.
- 29.4 During a breach of the Listing Rules relating to Restricted Securities, or a breach of a Restriction Agreement relating to Units which are Restricted Securities, the Member who holds the Units which are Restricted Securities is not entitled to any distribution from the Trust, nor any voting rights, in respect of those Restricted Securities.
- 29.5 If the Restricted Securities are in the same class as Securities that are quoted on ASX, the holder will be deemed to have agreed in writing that the Restricted Securities must be kept on the Trust's issuer sponsored sub-register and are to have a Holding Lock applied for the Escrow Period.
- 29.6 The holder of Restricted Securities will not be entitled to participate in any return of capital on those Restricted Securities during the Escrow Period except as permitted by the Listing Rules or ASX.
- 29.7 If a holder of Restricted Securities breaches a Restriction Agreement or this clause 29, the holder of the Restricted Securities will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of the Restricted Securities for so long as the breach continues.

30 Small holdings

- 30.1 This clause 30 applies while Units or Stapled Securities are Officially Quoted.
- 30.2 Subject to the provisions of this clause 30, the Manager may in its discretion from time to time sell or redeem any Units held by a Member that is a Small Holder or New Small Holder without request by the Small Holder or New Small Holder.

- 30.3 If the Manager determines that a Member is a Small Holder or a New Small Holder the Manager may give the Member a Divestment Notice to notify the Member:
- (a) that the Member is a Small Holder or a New Small Holder, the number of Units making up and the Market Price of the Small Holding or New Small Holding and the date on which the Market Price was determined;
 - (b) that the Manager intends to sell the Relevant Units in accordance with this clause after the end of the Relevant Period specified in the Divestment Notice;
 - (c) if the Member is a Small Holder, that the Member may at any time before the end of the Relevant Period notify the Manager in writing that the Member desires to retain the Relevant Units and that, if the Member does so, the Manager will not be entitled to sell the Relevant Units under that Divestment Notice; and
 - (d) after the end of the Relevant Period the Manager may for the purpose of selling the Relevant Units that are in a CS Facility holding initiate a holding adjustment to move those Units from that CS Facility holding to an Issuer Sponsored Holding or certificated holding.

If the Operating Rules of a CS Facility apply to the Relevant Units, the Divestment Notice must comply with those Operating Rules.

- 30.4 For a Divestment Notice given to a Small Holder, the Relevant Period must be at least six weeks from the date the Divestment Notice was given. For a Divestment Notice given to a New Small Holder, the Relevant Period must be at least seven days from the date the Divestment Notice was given.

- 30.5 At the end of the Relevant Period the Manager is entitled to sell on-market or in any other way determined by the Manager:

- (a) the Relevant Units of a Member who is a Small Holder, unless that Member has notified the Manager in writing before the end of the Relevant Period that
 - (i) the Member desires to retain the Relevant Units; or
 - (ii) the Units of the Member have increased to at least a marketable parcel (as provided under the Listing Rules),

in which event the Manager must not sell those Relevant Units under that Divestment Notice; and

- (b) the Relevant Units of a Member who is a New Small Holder.

- 30.6 The Manager is not bound to sell any Relevant Units which it is entitled to sell under this clause 30 but unless the Relevant Units are sold within six weeks after the end of the Relevant Period the

Manager's right to sell the Relevant Units under the Divestment Notice relating to those Units lapses and it must notify the Member to whom the Divestment Notice was given accordingly.

- 30.7 To effect the sale and transfer by the Manager of Relevant Units of a Member, the Member appoints the Manager and each of its directors and secretaries jointly and severally as the Member's attorney in the Member's name and on the Member's behalf to do all acts and things which the Manager considers necessary or appropriate to effect the sale or transfer of the Relevant Units and, in particular:
- (a) to initiate a holding adjustment to move the Relevant Units from a CS Facility holding to an Issuer Sponsored Holding or a certificated holding; and
 - (b) to execute on behalf of the Member all deeds, instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, instruments or other documents to the purchaser.
- 30.8 A statement in writing by or on behalf of the Manager under this clause 30 is (in the absence of manifest error) binding on and conclusive against a Member. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance with this clause 30 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.
- 30.9 The Manager must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this clause 30. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any irregularity or invalidity in connection with the actions of the Manager under this clause 30.
- Subject to clause 30.10, where Relevant Units of a Member are sold by the Manager on behalf of the Member under this clause, the Manager must, within 60 days of the completion of the sale, send the proceeds of sale to the Member entitled to those proceeds using any payment method chosen by the Manager including under clause 12. Payment of any money under this clause 30 is at the risk of the Member to whom it is sent.
- 30.10 In the case of a sale of the Relevant Units of a New Small Holder in accordance with this clause 30, the Manager is entitled to deduct and retain from the proceeds of sale, the costs of the sale as determined by the Manager. In any other case, the Manager or a purchase must bear the costs of sale of the Relevant Units. The costs of sale include all stamp duty, brokerage and government taxes and charges (except for tax on income or capital gains of the Member) payable by the Manager in connection with the sale and transfer of the Relevant Units.
- 30.11 The remedy of a Member to whom this clause 30 applies, in respect of the sale of the Relevant Units of that Member, is expressly limited to a right of action in damages against the Manager to the exclusion of any

other right, remedy or relief against any other person. The Manager is only liable if it has failed to comply with the requirements of this clause 30 and its liability is limited to the value of the Relevant Units at the time of sale.

- 30.12 Unless the Manager determines otherwise, where a Divestment Notice is given to a New Small Holder in accordance with this clause 30, then despite any other provisions in this constitution, the rights to receive payment of distributions and to vote attached to the Relevant Units of that Member are suspended until the Relevant Units are transferred to a new holder or that Member ceases to be a New Small Holder. Any distributions that would, but for this clause 30, have been paid to that Member must be held by the Manager and paid to that Member within 60 days after the earlier of the date the Relevant Units of that Member are transferred and the date that the Relevant Units of that Member cease to be subject to a Divestment Notice.
- 30.13 If it is a requirement of the Listing Rules, the Manager must not give a Small Holder more than one Divestment Notice in any 12 month period (except as contemplated by clause 30.14).
- 30.14 From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the Manager's powers under this clause 30 to sell Relevant Units of a Member cease. After the close of the offers under the takeover bid, the Manager may give a Divestment Notice to a Member who is a Small Holder or a New Small Holder, despite clause 30.13 and the fact that it may be less than 12 months since the Manager gave a Divestment Notice to that Member.
- 30.15 While Stapling applies:
- (a) the references to Units or Relevant Units in this clause 30 will apply to the Stapled Securities held by the Member; and
 - (b) no sale under this clause 30 may occur unless, at the same time as Units are sold, an identical number of Attached Securities are also sold to the Same Person.

- (d) issue or sell an Attached Security to any person unless each Other Attached Security is also issued or sold to the Same Person at the same time;

- (f) without the prior written consent of each Other Issuer, issue any Security or class of Security other than an Attached Security or any right or option to acquire any such Attached Security; and
- (g) permit a reinvestment by Investors in an Attached Security unless at the same time the Investor acquires each Other Attached Security which when issued or acquired are Stapled to the Attached Security. The Issuer may make provisions governing the amount of the reinvested dividends/distributions to be used to subscribe for or acquire the Attached Security and the amount to be used to subscribe for or acquire the Other Attached Securities having regard to the application price of the Attached Securities.

Each Security issued by a Stapled Entity after the Stapling Commencement Time must be Stapled to each Other Attached Security immediately on the date of issue of the new Security.

3.2 Dealing in Attached Securities

- (a) **(No Unstapling)** On and from the Stapling Commencement Time, the Issuer must not:
 - (i) do any act, matter or thing (including registering any transfer of any Attached Security); or
 - (ii) refrain from doing any act, matter or thing, if it would result directly or indirectly in any Attached Security no longer being Stapled to form a Stapled Security, other than in accordance with paragraph 7.
- (b) **(Attached Securities)** Subject to paragraph 7, on and from the Stapling Commencement Time, the Issuer must not:
 - (i) cancel, buy-back or redeem an Attached Security unless at the same time there is a corresponding cancellation, buy-back or redemption of each Other Attached Security;
 - (ii) implement a Reorganisation Proposal involving an Attached Security unless at the same time there is a corresponding implementation of a Reorganisation Proposal involving each Other Attached Security;
 - (iii) register any transfer of an Attached Security to any person unless each Other Attached Security is also transferred to the Same Person at the same time in a single instrument of transfer of Stapled Securities.
- (c) **(Exercise options)** The Issuer must not permit an Investor to exercise any rights or options to acquire an Attached Security unless the Investor exercises the corresponding rights or options to acquire each Other Attached Security at the same time.
- (d) **(Request for holding lock)** The Issuer must not request any applicable CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of an Attached Security from being registered on the CS Facility's sub

register or registered on an issuer-sponsored sub register, as the case may be, unless a corresponding request is made in respect of each Other Attached Security.

- (e) **(Small Holdings)** The Issuer must not dispose of a Small Holding of an Attached Security unless at the same time the Small Holding of each Other Attached Security is also disposed of in the same manner and to the Same Person. A Small Holding must be disposed of in accordance with the Listing Rules and the Constituent Documents.
- (f) **(Designated Foreign Investors)** The Issuer must not dispose of, or cause the disposal of, an Attached Security of a Designated Foreign Investor unless at the same time each Other Attached Security of that Designated Foreign Investor is also disposed of in the same manner and to the Same Person.
- (g) **(Compliance with law)** The Issuer is not obliged to effect a buy-back, cancellation, redemption, transfer, issue or other Corporate Action in a manner inconsistent with any constitutional, contractual or fiduciary obligation or law by which it is bound, or if it does not have any necessary consent or approval.

3.3 Consistency with the Constituent Documents

The Issuer must use every reasonable endeavour to procure that each Attached Security is dealt with under the Constituent Document of their respective Stapled Entity in a manner consistent with the provisions relating to Stapled Securities in the Constituent Documents of each other Stapled Entity.

3.4 Joint quotation as Stapled Securities

Until all Attached Securities are Unstapled in accordance with provisions of this schedule, the Issuer must use reasonable endeavours to ensure that each Stapled Security which is Officially Quoted continues to be jointly Officially Quoted as a Stapled Security.

3.5 Joint certificates or joint holding statements

Subject to the Corporations Act, the Issuer may procure that joint certificates or joint holding statements are issued to evidence the holding of Stapled Securities comprising Attached Securities and Other Attached Securities.

3.6 Stapling and separate entities

Despite any other provision of this schedule, each Stapled Entity remains a separate legal entity, separately admitted to the Official List (if applicable), although the Attached Securities may be jointly Officially Quoted as Stapled Securities.

4 Allocation of Application Price

4.1 Application Price

- (a) Subject to paragraph 4.1(c), while Units are Officially Quoted as part of a Stapled Security, the application price payable for any Unit is the Market Price of a Stapled Security minus the Application Price of the Other Attached Securities, or the amount determined by the Manager in accordance with paragraph 4.2.
- (b) Subject to paragraph 4.1(c), while the Units are not Officially Quoted but are Stapled, the application price payable for a Unit is the price calculated under clause

5.1(f) of the Trust Constitution, and the application price of Stapled Securities is the sum of that amount and the Application Price of the Other Attached Securities.

- (c) The Manager may determine a different application price for any Units (subject to the Corporations Act as modified by any applicable ASIC Relief and the Listing Rules) in the case of:
- (i) offers made at substantially the same time to persons who were Investors on a date determined by the Manager:
 - (A) provided that all Investors are offered Stapled Securities in proportion to the value of the Investor's Stapled Securities at the relevant date on a pro rata basis, whether or not the right to acquire those Stapled Securities is renounceable; but
 - (B) an Investor may be excluded from the pro rata offer if to do so would not cause the Manager to be in contravention of paragraph 601FC(1)(d) of the Corporations Act (as modified by ASIC Relief) whether or not the right of entitlement is renounceable.

If the Trust is a Registered Scheme and the Manager is making an offer of Stapled Securities to Investors which otherwise complies with this paragraph 4.1(c)(i), the Manager is not required to offer Stapled Securities to persons in the circumstances permitted under the applicable ASIC Relief and the Listing Rules.

Any offer made under this paragraph 4.1(c) must specify the period during which it may be accepted. The Manager may adjust any entitlement to accord with the Listing Rules and, in the case of fractions, the Manager must offer the next higher whole number of Units and Stapled Securities. Any Investor may renounce their entitlement in favour of some other person, unless the issue is expressed to be non-renounceable.

Any Stapled Securities offered for subscription under this 4.1(c) which are not subscribed for within the period for acceptance set by the Manager may be offered for subscription by the Manager to any person. The application price payable in relation to such further offer must not be less than that at which the Units and Stapled Securities were originally offered to Investors.

- (ii) If an underwriter has underwritten any offer for subscription of Stapled Securities under this paragraph 4.1(c), the underwriter may take up any Stapled Securities not subscribed for by Investors;
- (iii) a distribution reinvestment, where the application price is determined in accordance with paragraph 4.3;
- (iv) a placement of Stapled Securities that complies with the Listing Rules and any applicable ASIC Relief;
- (v) a security purchase plan that complies with the Listing Rules and any applicable ASIC Relief; and
- (vi) any of the other circumstances set out in the Corporations Act, as modified by any applicable ASIC Relief.

4.2 Apportionment of Application Price

- (a) Subject to paragraph 4.1(b) if a Unit is to be issued as part of a Stapled Security and the Trust Constitution contains a provision for the calculation or determination of the Application Price for a Stapled Security but not for the Unit, the Manager must determine what part of the Application Price of a Stapled Security is to represent the Application Price of a Unit for the purposes of the Trust Constitution.
- (b) Unless otherwise agreed between the Manager and the Other Issuers, the Application Price for a Stapled Security will be allocated among the Application Price of the Unit and the Application Price of the Other Attached Securities in the ratio that the net assets of each relevant Stapled Entity (adjusted for the net market value of its investments) at the end of the relevant period immediately before the issue of the Stapled Security, bears to the amount of the aggregate net assets of those Stapled Entities (adjusted for the net market value of their investments) at the end of the relevant period immediately before the issue of the Stapled Security.
- (c) Where an Option to acquire a Stapled Security is issued after the Stapling Commencement Time, the allocation of the issue price of the option must be determined in the same manner as under paragraph 4.2(b).
- (d) The allocation of the Application Price for a Stapled Security under this paragraph 4.2 must be consistent for each Stapled Security issued or transferred to each Investor at the same time.

4.3 Application Price if reinvestment applies

- (a) If a reinvestment of capital or income payable to an Investor under clause 11 of the Trust Constitution applies while Units are Officially Quoted and Stapled, subject to the Listing Rules the aggregate of the Application Price for each additional Unit issued and the Application Price for the Other Attached Securities upon reinvestment is the price determined by the Manager. If the Manager has not determined the application price by the date at which Units are to be issued upon reinvestment, the price will be the Market Price for Stapled Securities for the Pricing Period.
- (b) While Units are not Officially Quoted but are Stapled, the application price payable for each additional Unit on a reinvestment of capital or income payable to the Investor under clause 11 of the Trust Constitution is the price determined by the Manager. If the Manager has not determined the application price by the date at which Units are to be issued or transferred upon reinvestment, the price for a Unit will be the Application Price calculated under clause 5.1(f) of the Trust Constitution on the first Business Day after the end of the Distribution Period to which the distribution relates.
- (c) If the amount to be reinvested in additional Stapled Securities results in a fraction of a Stapled Security, the number of Stapled Securities issued will be rounded down to the nearest whole Stapled Security and any remaining amount becomes an asset of the Trust or Stapled Entity to which the distribution relates.

4.4 Application Price of Options over Stapled Securities

Subject to the Corporations Act (including the conditions of any applicable ASIC Relief) and the Listing Rules, while the Trust is a Registered Scheme, the Manager and the Stapled Entities may issue Options over Stapled Securities:

- (a) at an application price (which may be nil) determined by the Manager and the Stapled Entities if permissible under the Corporations Act as modified by ASIC Relief or, if such determination may not be made, at a nil Application Price; and
- (b) on the basis that the Application Price for a Unit as a component of a Stapled Security to be issued on exercise of the Option is a price determined:
 - (i) while the Units are Officially Quoted, in accordance with paragraphs 4.1 and 4.2 of this schedule;
 - (ii) while the Stapled Securities are not Officially Quoted, in accordance with the terms of ASIC Relief for a rights issue (if applicable) and otherwise in accordance with clause 5.1(f) of the Trust Constitution.

5 Single Register

Subject to the Corporations Act, a single Register may be kept in which details of the holders of the Attached Securities and the Other Attached Securities are recorded.

6 Power to add New Attached Securities

- (a) Subject to paragraph 6(b), the Corporations Act and the Listing Rules, the Issuer may at any time determine that a Security is a New Attached Security and cause it to be Stapled to the Stapled Securities. A determination under this paragraph may be made on such terms as the Issuer considers appropriate.
- (b) Subject to paragraph (c), a determination that a Security is a New Attached Security may only be made if:
 - (i) while the Units are Officially Quoted, the New Attached Security is also Officially Quoted, or ASX has indicated in writing that it will grant permission for the New Attached Security to be Officially Quoted;
 - (ii) while the Units are Officially Quoted, ASX has indicated in writing that it will approve the addition of the New Attached Security to the Stapled Securities;
 - (iii) each Other Issuer (including the issuer of the New Attached Security) has agreed:
 - (A) to the Stapling of the New Attached Security to the Stapled Security; and
 - (B) that the Stapling of the New Attached Security is in the best interest of Investors as a whole and is consistent with the then investment objectives of the Group; and

- (iv) the Constituent Documents in relation to the New Attached Security will have provisions giving effect to the Stapling (including provisions in substantially the form of this schedule);
 - (v) the issuer of the New Attached Security has agreed to enter into the Accession Deed;
 - (vi) where the New Attached Security is partly-paid, or approval from Investors is required to the transaction, any required approval of the members of each Stapled Entity has been obtained; and
 - (vii) the number of New Attached Securities to be allocated is identical to the number of Stapled Securities on issue.
- (c) The Issuer has power to do all things which it considers are necessary, desirable or reasonably incidental to give effect to the Stapling of the New Attached Securities to the Stapled Security under this paragraph 6.
 - (d) A New Attached Security may be transferred to an Investor by any means and in any manner, including but not limited to any combination of issue, sale, reduction of capital, distribution in kind or transfer (“**Transfer**”).
 - (e) A transfer of a New Attached Security made under this paragraph 6 will be Registered in the Register as of the date title is transferred.
 - (f) It is not necessary for the Issuer to receive a transfer, instrument or certificate for a New Attached Security in order for that Issuer to Register the transfer of the New Attached Security. The transfer will be evidenced by, and have full effect from, its Registration by the relevant Issuer in the Register.

7 Unstapling

7.1 Procedure for Unstapling

Subject to this paragraph 7, from the Stapling Commencement Time each Attached Security will remain Stapled to each other Attached Security for so long as the Stapled Securities remain on issue.

7.2 Unstapling an Attached Security

- (a) Subject to this paragraph 7, the Corporations Act, the Listing Rules and the relevant Constituent Documents, the Manager may, without the need for approval by Members, determine or consent to a determination by the Issuer of any Attached Securities that one or more Attached Securities are to be Unstapled from the Stapled Security at a time and date set or approved by the Manager.
- (b) A determination under paragraph 7.2(a) may only be made:
 - (i) while the Stapled Securities are Officially Quoted, only if ASX has indicated in writing that it will grant permission for the Unstapling of the Attached Security or Attached Securities from the Unit and the Unit and any remaining Attached Securities will remain Officially Quoted as a Unit or a Stapled Security; and

- (ii) if each Other Issuer has agreed:
 - (A) to the Unstapling; and
 - (B) that the Unstapling of the Attached Security from the Stapled Security is not contrary to the interests of Investors as a whole; and
- (iii) if the Stapling Provisions will cease to apply in respect of each Attached Security which is to be Unstapled.
- (c) After the Unstapling, the references to the Unstapled Security will be removed from the Register.

7.3 Restapling

If an Issuer determines that its Attached Securities are to be Unstapled under paragraph 7.2(a) or 7.4, this does not prevent the Issuer of the Unstapled Security subsequently determining that the Stapling Provisions should recommence in respect of that Unstapled Security (“**Restapling**”).

7.4 Unstapling the Stapled Securities

- (a) Subject to paragraph 7.4(b), the Corporations Act, the Listing Rules and the relevant Constituent Document, the Issuer must determine that an Attached Security or the Attached Securities (as applicable) will be Unstapled on the occurrence of an Unstapling Event.
- (b) A determination under paragraph 7.4(a) may only be made if:
 - (i) ASX has indicated in writing that it will grant permission for the Unstapling of the Attached Security; and
 - (ii) each Other Issuer has agreed:
 - (A) to the Unstapling of the Attached Security; and
 - (B) that the Unstapling of the Attached Security is not contrary to the interest of Investors as a whole.
- (c) On and from any date determined under paragraph 7.4(a), the Issuer must procure that the Attached Security is Unstapled and that the Stapling Provisions cease to have effect in respect of that Attached Security.

8 Designated Foreign Investors

- (a) Without limiting paragraph 6(c), to enable the Issuer to give effect to the Stapling of New Attached Securities to the Stapled Securities under paragraph 6, the provisions of this paragraph 8 apply.
- (b) Subject to the Corporations Act as modified by any applicable ASIC Relief, the Issuer may determine that a Foreign Investor is a Designated Foreign Investor for the purposes of the Transfer of a New Attached Security where the Issuer reasonably considers that it would be unreasonable to Transfer a New Attached Security to a Foreign Investor, having regard to:
 - (i) the number of Foreign Investors in the foreign place;

-
- (ii) the number and the value of New Attached Securities that may be Transferred to Foreign Investors in the foreign place; and
 - (iii) the cost of complying with legal requirements and the requirements of any relevant regulatory authority applicable to the Transfer of the New Attached Securities in the foreign place.
- (c) Despite anything to the contrary contained in the Constituent Documents, each Foreign Investor who is or becomes a Designated Foreign Investor consents and directs:
- (i) the Issuer to pay any distributions, redemption proceeds or other payments in respect of its Attached Security which are to be used to obtain a New Attached Security (“**Amounts**”) to the Sale Nominee;
 - (ii) the Sale Nominee to apply those Amounts to obtain a New Attached Security;
 - (iii) subject to paragraph 8(d) below, the Sale Nominee to then sell any Stapled Security to which the New Attached Security is Stapled; and
 - (iv) the Sale Nominee to pay the Sale Consideration to the relevant Designated Foreign Investor as soon as practicable after the sale of the relevant Stapled Security.
- (d) If a New Attached Security is to be Stapled to an existing Stapled Security, the Designated Foreign Investor agrees to transfer each existing Stapled Security they hold free of any Encumbrance to the Sale Nominee on or before the Sale Record Date so that the Sale Nominee:
- (i) is entered in the Register in respect of that Stapled Security as of the date title is transferred on the Sale Record Date; and
 - (ii) will receive the New Attached Security pursuant to the Stapling of the New Attached Security; and
 - (iii) will sell the resultant Stapled Security for cash to pay the Sale Consideration to the Designated Foreign Investor.
- (e) In respect of its Attached Securities, the Issuer:
- (i) must procure that each Designated Foreign Investor is paid the Sale Consideration to which that Designated Foreign Investor is entitled as soon as practicable after the sale of the relevant Stapled Security;
 - (ii) may take all steps to ensure that the Stapled Security held by the Designated Foreign Investor and to which a New Attached Security is to be Stapled, is transferred to the Sale Nominee before the Sale Record Date; and
 - (iii) need not receive any transfer, instrument or certificate for existing Stapled Securities in order for the Issuer to Register the transfer of the existing Stapled Securities to the Sale Nominee. The transfer will be evidenced by, and has full effect from, its Registration by the relevant Issuer in the Register.

-
- (f) Unless otherwise agreed between the Manager and the Other Issuers, the amount received for a Unit upon sale of a Stapled Security under paragraph 8(d)(iii) is the amount received on the sale of the Stapled Security less the fair value for the Other Attached Securities, as determined by the Manager.
-
