Marshmallow Graham Cracker Chocolate

How many more marshmallows are there than graham crackers?

2. During snack time, Patrick decides to stack an ice cream cone on top of a churro to create the best snack ever.

8"

How tall is Patrick's treat?

10"

3. SpongeBob, Patrick, and Sandy learned archery at Camp. One morning, SpongeBob got 3 bullseyes, Patrick got 2 bullseyes, and Sandy got 4 bullseyes. Draw their bullseyes on the graph below.

SpongeBob	Patrick	Sandy

4. How many more bullseyes did Sandy get than Patrick?

5. SpongeBob and Patrick raced in their canoes. SpongeBob crossed the finish line in 11 minutes. Patrick crossed the finish line 3 minutes later. How long did it take for Patrick to cross the finish line?
